- (a) *Required permit.* A food establishment, caterer, temporary food establishment, mobile food unit, child care center or group residence that provides food service shall only be operated

with a valid permit issued by the city. Permits are not transferable from place to place or person to person, except that, mobile food service establishments may retain the same license when moving from place to place as long as the vehicle remains the same. A valid permit shall be posted in public view in every establishment. Each and every food establishment, whether under one roof or not, shall be considered a separate establishment, and a permit must be obtained for each establishment. Each such establishment is subject to the requirements in this chapter. A valid permit must be posted at a clearly visible and accessible location near the entrance, or part of the premises most commonly approached by the public, of every food establishment regulated by this chapter. A permit is not required for the operation of a beverage stand operated by a child age 17 or under. Additional requirements for a mobile food unit permit are listed below in section.

- (b) *Filing of application.* Any person desiring to operate an establishment covered by this article shall make written application and pay the nonrefundable fee set out section 8.5-12, or as amended or stipulated in fee schedule approved by city council. Such application shall include, but not be limited to, the following:

- (e) *Exemption.* Temporary food establishments and establishments that serve, sell, or distribute only prepackaged non-TCS foods are exempt from this section.
- (f) *Inspection.* After the application has been submitted and all fees paid, the regulatory authority shall inspect the food service establishment for compliance with this chapter. If the establishment complies with this chapter, the regulatory authority shall issue the license.

Mobile food units must comply with all requirements listed under 25 Texas Administration Code 288.221 and under Article V of this Chapter, as amended.

Permits shall be issued annually and shall extend from the date of issuance or renewal, as applicable. Annual renewal applications must be submitted at least 30 days prior to the expiration date of the permit. A MFU that operates for a period of no more than three consecutive days in conjunction with a single event or celebration may obtain a temporary food establishment permit instead of a mobile food unit permit, however, a temporary food establishment permit may not be used in the place of a mobile food unit permit if the operator intends to operate their mobile food unit outside of a single event.

#### **Sec. 8.5-20. Annual inspections, reinspections, and new inspections.**
