Smart Storage Angleton Final Plat – 1st Submittal Review
Angleton, Texas
HDR Job No. 10336228

Dear Mr. Spriggs:

HDR Engineering, Inc. (HDR) has reviewed the plat for the above referenced subdivision within the City of Angleton and offers the following comments:

1. Provide review and approval correspondence from Angleton Drainage District (A.D.D). If no approval letter is to be provided by A.D.D., provide correspondence from their office that states the plat/plan was received and that no comments were offered for the property accordingly.
2. The Property Owner shall coordinate with the City on extension of public utilities prior to site development of the lots shown on the plat.
3. The Property Owner shall coordinate with the City on providing the necessary development review documents as noted in the variance approvals in the October 11, 2022 City Council Meeting prior to development of the lots shown.

HDR takes no objection to the proposed Smart Storage Angleton Final Plat with the exceptions noted. Please note, this does not necessarily mean that the entire drawings, including all supporting data and calculations, has been completely checked and verified; however, the drawings and supporting data are signed, dated, and sealed by a Registered Professional Land Surveyor licensed to practice in the State of Texas, which therefore conveys the surveyor's responsibility and accountability.

If you have any questions, please feel free to contact us at our office (713)-622-9264.

Sincerely,

HDR Engineering, Inc.

Javier Vasquez, P.E., CFM
Civil Engineer
