A material breach of this Agreement by Developer shall be deemed to have occurred upon the failure of the Developer to substantially comply with a provision of this Agreement or the Development Ordinances applicable to the Property.

(b) The parties agree that nothing in this Agreement can compel the Developer to proceed or continue to develop the Property within any time period.

(c) The parties acknowledge and agree that any substantial deviation by the City from the material terms of this Agreement would frustrate the intent of this Agreement and, therefore, would be a material breach of this Agreement. A material breach of this Agreement by the City shall be deemed to have occurred in any of the following instances:

1. The imposition or attempted imposition of any moratorium on building or growth on the Property prohibited by State law or that treats development authorized under this Agreement differently than other development occurring throughout the City's regulatory jurisdiction;

2. The imposition of a requirement to provide regionalization or oversizing of public utilities through some method substantially or materially different than as set forth in this Agreement;

3. An attempt by the City to enforce any City ordinance within the Property that is inconsistent with the terms and conditions of this Agreement, unless such ordinance is required by state or federal law; or

4. An attempt by the City to unreasonably withhold approval of a plat of land within the Property that complies with the requirements of this Agreement.

5. An attempt by the City to withhold access or connection to City Water and/or Sanitary Sewer systems.

In the event that a party to this Agreement believes that another party has, by act or omission, committed a material breach of this Agreement, the provisions of this Agreement shall provide the remedies for such default.

Section 3.02 Notice of Developer's Default.

(a) The City shall notify the Developer and any mortgagee of all or any part of the Property designated by Developer to receive such notices (a "Designated Mortgagee") in writing of an alleged failure by the Developer to comply with a provision of this Agreement, which notice shall specify the alleged failure with reasonable particularity. The alleged defaulting Developer shall, within thirty (30) days after receipt of such notice or such longer period of time as the City may specify in such notice, either cure such alleged failure or, in a written response to the City, either present facts and arguments in refutation or excuse of such alleged failure or state that such alleged failure will be cured and set forth the method and time schedule for accomplishing such cure.

(b) The City shall exercise good faith to determine (i) whether a failure to comply with a

provision has occurred; (ii) whether such failure is excusable; and (iii) whether such failure has been cured or will be cured by the alleged defaulting Developer or a Designated Mortgagee. The alleged defaulting Developer shall make available to the City, if requested, any records, documents, or other information necessary to make the determination.

(c) In the event that the City determines that such failure has not occurred, or that such failure either has been or will be cured in a manner and in accordance with a schedule reasonably satisfactory to the City, or that such failure is excusable, such determination shall conclude the investigation.

(d) If the City determines that a failure to comply with a provision has occurred and that such failure is not excusable and has not been or will not be cured by the alleged defaulting Developer or a Designated Mortgagee in a manner and in accordance with a schedule reasonably satisfactory to the City, then the City Council may proceed to mediation under Section 3.04 and subsequently exercise the applicable remedy under Section 3.05.

Section 3.03 **Notice of City's Default.**

(a) The Developer shall notify the City in writing of an alleged failure by the City to comply with a provision of this Agreement, which notice shall specify the alleged failure with reasonable particularity. The City shall, within thirty (30) days after receipt of such notice, either cure such alleged failure or, in a written response to the Developer, either present facts and arguments in refutation or excuse of such alleged failure or state that such alleged failure will be cured and set forth the method and time schedule for accomplishing such cure.

(b) The Developer shall exercise good faith to determine (i) whether a failure to comply with a provision has occurred; (ii) whether such failure is excusable; and (iii) whether such failure has been cured or will be cured by the City. The City shall make available to the Developer, if requested, any records, documents, or other information necessary to make the determination.

(c) In the event that the Developer determines that such failure has not occurred or that such failure either has been or will be cured in a manner and in accordance with a schedule reasonably satisfactory to the Developer, or that such failure is excusable, such determination shall conclude the investigation.

(d) If the Developer determines that a failure to comply with a provision has occurred and that such failure is not excusable and has not been or will not be cured by the City in a manner and in accordance with a schedule reasonably satisfactory to the Developer, then the Developer may proceed to mediation under Section 3.04 and subsequently exercise the applicable remedy under Section 3.05.

Section 3.04 Mediation. In the event the parties to this Agreement cannot, within a reasonable time, resolve their dispute pursuant to the procedures described in Sections 4.02 or 4.03, the parties agree to submit the disputed issue to non-binding mediation. The parties shall participate in good faith, but in no event shall they be obligated to pursue mediation that does not resolve the issue within fourteen (14) days after the mediation is initiated or thirty (30) days after mediation is requested, whichever is later. The parties participating in the mediation shall share the costs of the mediation equally.

Section 3.05 **Remedies.**

(a) In the event of a determination by the City that the Developer has committed a material breach of this Agreement that is not resolved in mediation pursuant to Section 3.04, the City may

file suit in a court of competent jurisdiction in Brazoria County, Texas, and seek any relief available at law or in equity, including, but not limited to, an action under the Uniform Declaratory Judgment Act and or termination of this Agreement as to the breaching Developer.

(b) In the event of a determination by a Developer that the City has committed a material breach of this Agreement that is not resolved in mediation pursuant to Section 3.04, the Developer may, without expanding City's liability beyond the statutory limits of the Texas Tort Claims Act or under other law; and, without the City waiving or demising its immunity beyond the scope of that allowed by the Texas Tort Claims Act or other law, and without the City ever being liable for Developer's consequential, special, indirect or incidental losses or damages, file suit in a court of competent jurisdiction in Brazoria County, Texas, for the limited remedy of seeking City's specific performance of its obligations under this Agreement.

In the event Developer sells any portion of the Property, the Developer may assign to such purchaser the right to amend this Agreement as to such purchased property by written assignment and notice thereof to the City. Such assignment shall not grant such purchaser the authority to amend this Agreement as to any other portions of the Property.

Section 4.04 The Developer shall notify the City within fifteen (15) business days after any substantial change in ownership or control of the Developer. As used herein, the words "substantial change in ownership or control" shall mean a change of more than 49% of the stock or equitable ownership of the Developer. Any contract or agreement for the sale, transfer, or assignment of control or ownership of the Developer shall recite and incorporate this Agreement as binding on any purchaser, transferee, or assignee.

Section 4.05 The parties contemplate that they will engage in informal communications with respect to the subject matter of this Agreement. However, any formal notices or other communications (“Notice”) required to be given by one party to another by this Agreement shall be given in writing addressed to the party to be notified at the address set forth below for such party, (a) by delivering the same in person, (b) by depositing the same in the United States Mail, certified or registered, return receipt requested, postage prepaid, addressed to the Party to be notified; (c) by depositing the same with Federal Express or another nationally recognized courier service guaranteeing “next day delivery,” addressed to the party to be notified, or (d) by sending the same by telefax with confirming copy sent by mail.
