EXECUTIVE SUMMARY: Texas New Mexico Power Company and CenterPoint are requesting consideration of a Zoning and SUP for the balance of the White Oak Substation property recently annexed by Council on August 26, 2025 under ORDINANCE NO. 20250826-009. In this public hearing, the Planning and Zoning Commission and City Council are asked to assign the zoning and specific use permit to the said 26.084 acres. This action will update the mapping of the recently annexed property.

Similarly, City Council previously granted the SUP for the Electrical Power Distribution Substations on July 23, 2024, under Ordinance No. 20240723-013 for the frontage portion of the site that remained within the City Limits for many years.

Public Notification

Staff sent public notices to the local newspaper and to the property owners within 200 feet of the subject property under consideration for the zoning request.

A proposed service agreement plan is attached to this item that outlines all City Services subject to this annexation, including Fire, Police, Building Inspections, Planning and Zoning, water service, sanitary sewer, and solid waste services. With this type of substation use, minimum-to-no services are needed.

Sec. 28-6. Zoning upon annexation.

- (a) As soon as practical following annexation, but in no event more than 180 calendar days thereafter, the city council shall, on its own motion or upon application by property owners of the annexed area, initiate proceedings to establish appropriate zoning on the newly annexed territory, thereupon the city manager shall commence public notification and other standard procedures for zoning amendments as set forth in section 28-24. Said proceedings to establish zoning may be undertaken concurrently with annexation procedures (i.e., notified at the same time, public hearings scheduled at the same time as annexation, etc.), however zoning approval and formal adoption of the ordinance establishing zoning must occur after annexation approval and adoption have occurred, and as a separate and distinct action by the city council.
