Staff and City Engineering Review:

The plat was forwarded to the City Engineer who reviewed the Preliminary Plat and the following textual comments for the applicant's correction:

1. Label contours on plat.
2. Verify what is represented by this dashed area? (e.g. existing line from Rose Quartz Dr. in Sec.5)
3. Recommend providing existing text/graphics in grayscale
4. Identify linetype used in Sheet Legend (Section boundary?) and consider using grayscale or unbolden the linetype/use separate linetype
5. Should this segment be included in the existing boundary line shown?
6. Update City Approval certifications to reflect current signature process for City Secretary as Notary and remove additional signature lines shown
7. Label Point of Beginning.
8. Provide a corner tie to the original abstract survey.
9. Provide location/reference to point of commencement with bearing and distance (example shown)
10. Will temporary easements be needed here for Sec. 7 and proposed utilities?
11. Revise bearings and distances shown to match line and curve tables.
12. Provide a street dedication table noting the street name, type, and length.

The above comments were all resubmitted with corrected responses to the 12 items found, and all conditions have been cleared.

The applicants must still gain final approval from any applicable Referral Agencies such as Brazoria County provided for the associated subdivision improvements and final plat, and construction plans shall be provided for review of the applicable public improvements along with review and approval of the Final Plat.

Recommendation:

The Planning Commission should vote to approve the Ashland Development Section 5 Street Dedication Preliminary Plat, subject to referral agency approval, and forwards it to the City Council for final action.
