EXECUTIVE SUMMARY:

Attached is the Quarterly Investment Report for the 3nd Quarter of 2025 fiscal year. City funds are divided between six financial institutions (Texas Gulf Bank, JP Morgan Chase Bank, First State Bank-Louise, TexPool, Lone Star and TexSTAR). The City also has certificates of deposit through First State Bank which matures in September of 2025. The overall total of the portfolio decreased by \$ 2,105,595.63K due to Bond funds being spent on approved projects.

The City's current Investment Policy sets an interest rate goal equal to that of the 91-day treasury bill which was approximately 4.24%. Some of the City's accounts with fixed interest rates did not reach this benchmark since the rates have recently changed from .05% last QE to 4.339% this quarter. We should expect to see the rates increase that are provided on our pool accounts to reflect this change by next quarter. Police Seizure account earns no interest by state law, but no service charges are being incurred. Transfers may be needed to maximize returns. However, safety of principal, diversity of funds and the financial contract with First State bank will limit some movement of funds.

RECOMMENDATION:

Staff recommends Council approve the Quarterly Investment Reports for June 30, 2025.

INVESTMENT REPORT

FISCALYEAR 2025 3RD QUARTER AS OF 06-30-25

- City funds are divided between six financial institutions: Texas Gulf Bank, JP Morgan Chase, First State Bank Louise, TexPool, Lone Star, and TexSTAR governmental funds.
- Funds deposited in banking accounts generally have a fixed interest rate and will not fluctuate should federal interest rates increase or decrease.
- The City's current Investment Policy sets an interest rate goal equal to that of a 91-day treasury bill. This goal provides a benchmark for yield. Safety of principal is the foremost goal, so the treasury bill interest rate only serves to identify account transfer possibilities in order to earn a greater yield.
