Re: On-Going Services
Ashland Street Dedication #7 Preliminary Plat Review – 2nd Submittal Review
Angleton, Texas
HDR Job No. 10420700

Dear Mr. Spriggs:

HDR Engineering, Inc. (HDR) has reviewed the plat for the above referenced subdivision and offers the following comments:

Preliminary Plat

1. It is noted that approval from any applicable Referral Agencies such as Brazoria County shall be provided for the associated subdivision improvements and final plat.
2. Construction plans shall be provided for review of the applicable public improvements along with review and approval of the Final Plat

HDR Engineering, Inc. (HDR) offers no objection to the proposed Ashland Street Dedication #7 Preliminary Plat with the exceptions noted. Please note, this does not necessarily mean that the entire drawings, including all supporting data and calculations, has been completely checked and verified; however, the drawings and supporting data are signed, dated, and sealed by a Land Surveyor registered to practice in the State of Texas, which therefore conveys the surveyor's responsibility and accountability.

If you have any questions, please feel free to contact us at our office (713)-622-9264.

Sincerely,

HDR Engineering, Inc.

Javier Vasquez, P.E., CFM
Civil Engineer

THAT WILDROCK HOLDINGS, LLC acting herein by and through its duly authorized officers, does hereby adopt this plat designating the hereinabove described property as Ashland Street Dedication 7, a subdivision in the jurisdiction of the City of Angleton, Texas, and does hereby dedicate, in fee simple, to the public use forever, the streets, alleys and public parkland shown thereon. The streets, alleys and parkland are dedicated for street purposes. The easements and public use areas, as shown, are dedicated for the public use forever, for the purposes indicated on this plat. The City of Angleton and public utility entities shall at all times have the full right of ingress and egress to or from their respective easements for the purpose of constructing, reconstructing, inspecting, patrolling, maintaining, reading meters, and adding to or removing all or parts of their respective systems without the necessity at any time of procuring permission from anyone.
