**DATE:** January 6, 2026

**TO:** City Council

**FROM:** Steve Williams, Interim City Administrator

**RE: RESOLUTION 26-02 – APPOINTMENTS TO MAYOR, VICE-MAYOR, AD-HOC, AND STANDING COMMITTEES**

**RECOMMENDATION:**

Adopt Resolution 25-104 thereby making appointments to Mayor, Vice-Mayor, Ad-Hoc and Standing Committees.

**BACKGROUND:**

The City of Angels City Officials' Handbook Chapter 2 Section B3 describes the term of the Mayor and Vice-Mayor which reads as follows:

**“Term:** The Mayor and Vice Mayor are selected by a majority vote of the Council and appointed on an annual basis for a one (1) year term. Selection of the Mayor and Vice Mayor occurs in December or January to coincide with the general municipal election that occurs every two (2) years.”

The City of Angels City Officials' Handbook Chapter 10 Section B1 describes Ad-Hoc and Standing Committees which reads as follows:

**“Ad-Hoc and Standing Committees.** Committees provide a great deal of assistance to the City Council when formulating public policy. The City has the following standing committees:

- a. CPPA (Calaveras Public Power Agency)
- b. CSEDD (Central Sierra Economic Development District)
- c. COG (Council of Governments)
- d. LAFCO (Local Area Formation Commission)
- e. SWM (Solid Waste Management)
- f. UWPA (Utica Water and Power Authority)

In addition, special purpose task forces (ad-hoc committees) are often appointed by the City Council to address specific issues of interest for a limited duration. These ad hoc committees are dissolved upon completion of the intended task. Committees and task forces are purely advisory to the Council and, in some situations, staff. Standing Committees and Ad-Hoc Committees will consist of two (2) Councilmembers, in order to avoid Brown Act violations, and are appointed by the Mayor. Typically, committee appointments are made on an annual basis and are made at the first meeting of each calendar year. The Mayor may solicit interest from Councilmembers to serve on committees but final selection of committee participation is a majority vote of the City Council.”
