**RE: Resolution 26-45 – EXPRESSING APPRECIATION TO STEVE WILLIAMS FOR HIS SERVICE AS INTERIM CITY ADMINISTRATOR**

### RECOMMENDATION

Approve Resolution (26-45) expressing appreciation to Steve Williams for his service to the City of Angels in non-consecutive Interim City Administrator assignments.

### BACKGROUND

Mr. Steve Williams has twice served as Interim City Administrator, filling a critical need on short notice. With a permanent City Administrator now appointed, the Council and Staff wish to declare their gratitude for his exceptional service to the City.

### DISCUSSION

Filling the role of Interim City Administrator is inherently difficult. Often being called to stabilize a situation on short notice and generally in a time of great upheaval, it requires broad technical savvy, adaptability, and tremendous interpersonal skills.

Mr. Williams initially served as the Interim City Administrator from July 3, 2024, until February 24, 2025. However, the unexpectedly short tenure of the appointed City Administrator required him to re-assume the role on September 17, 2025.

During these two periods, Mr. Williams went far beyond expectations. He led improvement, built processes, and initiated change. His ability to build consensus brought diverse stakeholders to common ground, and his patient and stable leadership style forged new and improved relations with local elected officials, neighboring jurisdictions, community groups, bargaining units, and others.

Following the appointment of a permanent City Administrator, Mr. Williams remained to provide critical information and counsel to ensure a seamless transition even as he was being quickly pulled to serve another municipality. The City Council, staff, and community of Angels are sincerely grateful for his dedicated service to the City.
