

CITY HALL

CITY OF ANGELS PO Box 667, 200 Monte Verda St. Suite B, Angels Camp, CA 95222 P: (209) 736-2181

To: Mayor and City Council

From: Michelle Gonzalez, Finance Director

Meeting Date: July 21, 2026

Subject: Declaration of Surplus Property and Authorization to Dispose of Property Through Public Auction

Recommendation

Adopt Resolution No. 26-72 declaring certain City-owned vehicles and equipment as surplus property and authorizing the City Administrator, or designee, to dispose of the property through GovDeals or another approved public auction platform.

Background

From time to time, City departments identify vehicles and equipment that have reached the end of their useful life, are no longer cost-effective to maintain, or have been replaced with newer equipment. These assets no longer serve an operational purpose and are recommended for disposal.

To maximize the return on public assets while maintaining a transparent and competitive process, staff recommends selling the surplus property through GovDeals, an online auction platform used by numerous public agencies throughout California and the United States. Public auction provides broad market exposure, competitive bidding, and an efficient method for disposing of surplus property.

The Finance Department has established a Surplus Property Tracking Log to document the disposition of City assets and ensure appropriate accounting records are maintained.

Discussion

The surplus property proposed for disposal includes vehicles and equipment from the Building & Planning, Fire Department, Police Department, and Public Works Department. The items have been reviewed by the respective departments and determined to be no longer needed for City operations.

Staff anticipates that utilizing an online public auction will:

- Maximize competitive bidding and sale proceeds.
- Provide a transparent disposal process.
- Reduce staff time associated with individual sales.
- Ensure compliance with accepted public agency surplus disposal practices.

CITY HALL

CITY OF ANGELS PO Box 667, 200 Monte Verda St. Suite B, Angels Camp, CA 95222 P: (209) 736-2181

Following each sale, Finance will record the proceeds, remove the assets from the City's inventory records, and deposit the revenue into the appropriate City fund.

Fiscal Impact

The City will receive one-time revenue from the sale of surplus assets. Because auction prices are determined through competitive bidding, the exact amount of revenue is unknown at this time.

Environmental Review

The proposed action is not considered a project under the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15378 because it is an administrative activity that will not result in a direct or reasonably foreseeable indirect physical change in the environment.
