What experience, knowledge and insight in City Planning and/or Civic Participation can you provide to the Commission?

I have extensive experience operating public works infrastructure such as: water treatment/distribution, and waste water treatment systems. For the last 5 years I have been working as general engineering/excavtion contractor. I also work on the annual Fume outages.

From a City Planning aspect, what three things do you believe the City is doing well?

The city has two fire departments on each side of town. There is usually ample parking wherever you go. Also, There used to be plenty of Parks.

From a City Planning aspect, what three areas does the City need to improve on the most?

The Annex needs to be bypassed. The the sidewalk along main street needs to connect to downtown. Too many vacant business fronts, the town is starting to look blighted.
