DATE: July 10, 2025
TO: City Council
FROM: Amy Augustine, City Planner
RE: **CONTINUATION OF PUBLIC HEARING – RESOLUTION OF INTENT TO AMEND SIGN CODE**

RECOMMENDATION:

Staff recommends the Planning Commission open the public hearing and continue the item to the next regularly scheduled meeting on August 14, 2025.

BACKGROUND:

At the July 10, 2025, Planning Commission meeting, staff had intended to present a proposed Resolution of Intent to initiate amendments to the City's Sign Code. The proposed amendments address several aspects of signage regulation, including:

- Regulation of temporary signs, including feather flags (limitations on location, number, and duration),
- Revisions to the Historical Commercial Zoning District sign requirements to allow administrative approvals by the City Planner in accordance with adopted sign design guidelines, with appeal rights to the Planning Commission,
- Updates to provisions related to election signage, and
- Clerical and formatting corrections to improve clarity and consistency.

Due to anticipated changes in Planning Commission membership following upcoming City Council reappointments, staff is recommending continuation of this item to allow the full, reconstituted Commission to consider the proposal. This will help ensure continuity and transparency in the public review process.

PROCESS & LEGAL CONSIDERATIONS:

In order to avoid having to re-notice the public hearing in the local newspaper, the Commission must formally open the public hearing on July 10, 2025, and continue it to a specific date and time. The continued hearing will then be considered a continuation of a regular meeting and does not require new public noticing.
