

MEMORANDUM

City of Angels Council Meeting

Date: July 15th 2025

To: City Council

From: Chief Scott Ellis

Re: **Request to accept \$116,640 conditionally approved from the Cannabis Tax Fund Grant Program (CTFGP)**

Recommendation:

It is recommended that the City of Angels Camp accept and approve Resolution 25-49 for the conditionally awarded grant amount of \$116,640 from the CHP's Cannabis Tax Fund Grant Program and approve the purchase of a new patrol vehicle supported by grant funding.

Background:

The Angels Camp Police department recently applied for FY 25-26 Cannabis Tax Fund Grant. In June of 2025 the Angels Camp Police Department received notification that the grant had been conditionally awarded to the City of Angels Camp Police Department in the amount of \$116,640 pending City Council approval.

Discussion

This grant will fund overtime enforcement activities focused on driving while intoxicated with emphasis on marijuana intoxication along with training and additional funds for the purchase of a driving while under the influence patrol vehicle. As a requirement and before funds can be expended the governing body must endorse a resolution authorizing our organization to receive grant funds from the Cannabis Tax Fund Grant Program.

The grant will provide \$50,000 for the purchase of a new patrol vehicle and \$20,000 for vehicle outfitting for use during the grant period and beyond. Although the amount being provided is generous it is expected that the total cost for purchase and outfitting will exceed that amount by approximately \$25,000. Due to this we are requesting City Council provide a one-time funding for an amount not to exceed \$25,000 from the General Fund reserve.

The Angels Camp Police Department is also requesting approval to expend the funds available to purchase a new patrol vehicle.

Financial Impact

One time expenditure, not to exceed \$25,000.
