May 2023 monthly report for the Library,

I just got hired as the librarian April 19th,2023. Since i got hired both Leona and I have cleaned up and organized the library. She was able to help me the basics I needed to know for running the movies and books. So far we have a number of people coming in and using the library. It slowed down in the past 2 weeks. I'm hoping that our number will go up and we will have more turn around now that school is coming to an end. We have so many ideas to do with the kids. We plan to do a reading night this month and hope to provide snacks and drinks.

Things i've noticed since i started,

We need to get our door fixed, don't stay closed and when it's windy it constantly blows open.

I believe if we had a TV we can also provide movie nights, it may be great for our children in the village.

Need to figure out how to get more people to come to the library, so far my children and their friend have been showing up.

How can we get the newest movies/cartoons available for our library.
