City Clerk May Monthly Report

I have been busy with the Public Assistance Water Applications. There's a lot of customers that I reached out to by phone, text, email and facebook message. I had a lot of responses, but I haven't received all the applications back. The first week I sent in 6 applications, as well as the second week. Missy and I posted the applications at the Post Office and Store. There's no actual deadline so we've been receiving them during the week and sending on Fridays. I am leaving next week for my allergy appointment and will be back beginning of July. Everything has been going well I also have my court coming up on the 29th of June.

Thank You!

Morgan Simeon
