City Manager's Report
July 24, 2023

I had a meeting with Anita Erickson at the Village Safe Water office in Anchorage on June 23rd, This meeting was to evaluate the feasibility study in relocating the Sewer Lagoons from the Airport property to the City owned property. Lease agreement will expire in 2027.

We have just received an award for a Capital Improvement Project planning grant of \$88,000.00 for a feasibility study through VSW to provide Fire Hydrants in the community of Aniak. This grant is in partnership between VSW and USDA Rural Development.

I have not heard from YK yet on negotiating the Sub-Regional Health Clinic lease. This lease up for renewal on March 1, 2027.
