Public Works June & July Monthly Report

JUNE

Sewer: Everything is running good, City crew has been doing the regular maintenance, no complaints.

Landfill: The crew has been keeping it clean as possible with all the bad weather. We plan on spending some time on the dump, when the weather clears up, it's just been too muddy.

Roads: The roads are holding up pretty good. There's been no need for chloride as of now. We have been waiting for the barge to bring the fuel tank, and bobcat to cut brush, should be here soon.

JULY

Landfill: We have been putting gravel down to fix the driveway and pushing off the trash. Bears tear it up daily, talked to Fish & Game to get rid of them.

Roads: The roads have been holding up, no problems.

Sewer: The sewer has been running well, we've just been doing the routine maintenance.
