July/August Monthly Report

The month of June went by smoothly. Still receiving Water Assistant Applications and sending them to Public Assistance on Friday's. I've been keeping myself busy in the office with scanning Resolutions and Ordinances from the previous years. I have court on September 22, 2023, I must be in-person at court in Anchorage. I would like to request from the Council and Staff if I can fill out a leave request for 2 and a half months, if possible, I could return to work before and/or after Christmas. I am required to serve 80 days. Other than that, everything has been going great, I love our new hours even though we were cut. Enjoy rest of the summer and Moose Hunting Season 😊
