EVACUATION PLAN

Any resident needing evacuation from home will call 676-0346. Boats that are staged closest to evacuees or patients will launch from the staging areas listed above.

All boats will have a 2-man crew. No one shall respond to a rescue operation without a second person, or buddy system to ensure accountability and safety.

Boats will be provided with first aid response gear, life jackets, and PPE.

SLOUGH-SIDE HELI-SPOT

New Landing location for slough side helicopter landing. Between Jerry Kelly's and Morris's Lot.

PPE

All volunteers and boats will be equipped with the proper PPE for rescue operations.

Face Mask

Latex Gloves

Eye Protection

Life Jackets

Clorox Wipes or of equal cleaning qualities

First Aid Kit

Hand Sanitizer

COVID-19 PATIENTS

All rescued will be considered infectious of Covid-19, and volunteers will properly wear PPE and take the best precautions for safe transport/evacuation to the Aniak High School or Aniak Subregional Clinic.
