

LADY RUNNERS BASKETBALL

To Whom it may concern:

We (Brandon & Misty Hazel, Kyle & Crystal Carothers, Joel and Amy Walker) have put together two girls' basketball teams to compete in the Alva recreation league in Alva Oklahoma this year and for the coming years. We have 11 girls on the 3/4th grade team and 11 girls on the 5/6th grade team. 21 of the girls are from Anthony and 1 from Harper. This is the girls first year to start a group as the boys have been playing there for many years. It's a great program and adds another level of competition to help better our local players and increase their ability to compete with the schools we play in Jr. High and Highschool. We have local sponsors helping with uniform cost and equipment for both teams as well as three of the boy's teams. A long list of parents that will be assisting as well. We have some access to the school for practice but are trying to work in more practices as the boys and rec use the school a lot as to not interrupt their schedules. We would like to request your permission/approval for the use of the municipal hall for practice as well as a waiver of fees if you would allow us to practice in the gym. We have all our own equipment donated already so just need use of the gym. I have a attached a tentative schedule based off the school functions and holidays that coincide with our game schedule. We obviously will have some dates that may not work as functions arise or weather etc. And are flexible to work with any events or times that are already spoken for. As soon as we know any dates are unnecessary or we have the school access we will communicate them to whomever is needed.

Due to my oldest daughters last volleyball game is playing at the same time of this commissioner's meeting I was not able to attend in person. If anyone has any questions, please feel free to contact Brandon Hazel for any further information at the number listed below anytime and thank you for your time.

Respectably,

Brandon C. Hazel

QUICK SUMMARY: 3/4th grade and 5/6th grade girls of Anthony requesting practice times at the municipal Hall along with waiver of fees charged for usage. Schedule attached.
