

**WAYNE DENNIS FUND COMMITTEE MEETING
HELD BUY EMAIL
October 7, 2025**

On October 7th, Alfreda Myers emailed all members of the Wayne Dennis Committee. She attached a copy of a request for funds and quote from the Anthony Police Department for a prisoner transport cage.

By Thursday, October 9th, all members has expressed their opinions on the request and voted.

The committee vote was 6 members yes and 1 member no. Request for \$3090.20 approved by the majority.

Alfreda Myers

Wayne Dennis CommitteeTo
whom it may concern.

Recently the Anthony Police Department has looked at ways to recruit and retain officers. A part of this process has concluded that we need prisoner transport cages. Applicants look at ways to not only safeguard themselves but also safeguard arrestees. This limits potential injury to themselves, and the arrestee. We have had incidents in the past where our patrol vehicles are damaged from unruly arrestees, injury to an officer, and injury to the individual causing the incident. One way to limit this liability is to buy, install, and utilize prisoner transport cages. Retained officers would agree that having these cages will help steer the department in the right direction of retention and recruitment.

The Anthony Police Department adheres to a strict budget every year with hopes of not raising the budget, thus keeping taxes lower. We have been successful in this endeavor. One way of doing this is to apply for grants when and where available. We would now like to call upon the Wayne Dennis Foundation in hopes of supporting our needs of buying and installing a single prisoner transport cage for one of our patrol vehicles. The installation will be conducted at Newberry Family Auto, where they have had successful past projects for installing these transport cages. Attached you will find a quote from Newberry Family Auto for the purchase and installation of this project. Thank you for your time and consideration, it does not go unnoticed.

KH

Sincerely-

Deputy Chief of Police Nathan J. Houston
