Section 2. Representations and Covenants of Lessee. Lessee represents, warrants and covenants for the benefit of Lessor as follows:

- (a) Lessee is a municipal corporation, city, and political subdivision duly organized and existing under the constitution and laws of the State. Lessee will do or cause to be done all things to preserve and keep in full force and effect its existence as a political subdivision. Lessee has a substantial amount of one or more of the following sovereign powers: (i) the power to tax, (ii) the power of eminent domain, and (iii) police power.
- (b) Lessee is authorized under the constitution and laws of the State to enter into this Agreement and the transaction contemplated hereby and to perform all of its obligations hereunder.
- (c) Lessee has been duly authorized to execute and deliver this Agreement by proper action and approval of its governing body at a meeting duly called, regularly convened and attended throughout by a requisite majority of the members thereof or by other appropriate official approval.
- (d) This Agreement constitutes the legal, valid and binding obligation of Lessee enforceable in accordance with its terms, except to the extent limited by applicable bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally.
- (e) No event or condition that constitutes, or with the giving of notice or the lapse of time or both would constitute, an Event of Default exists at the Commencement Date.
- (f) Lessee has, in accordance with the requirements of law, fully budgeted and appropriated sufficient funds for the current fiscal year to make the Rental Payments scheduled to come due during the Original Term, if any, and to meet its other obligations for the Original Term, and such funds have not been expended for other purposes.
- (g) Lessee has complied with such public bidding requirements as may be applicable to this Agreement and the acquisition by Lessee of the Equipment hereunder.
- (h) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or, to the best knowledge of the Lessee, threatened against or affecting Lessee, nor to the best knowledge of Lessee is there any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect the transactions contemplated by this Agreement or any other document, agreement or certificate which is used or contemplated for use in the consummation of the transactions contemplated by this Agreement or materially adversely affect the financial condition or properties of Lessee.
- (i) All authorizations, consents and approvals of governmental bodies or agencies required in connection with the execution and delivery by Lessee of this Agreement or in connection with the carrying out by Lessee of its obligations hereunder have been obtained.
- (j) The entering into and performance of this Agreement or any other document or agreement contemplated hereby to which Lessee is or is to be a party will not violate any judgment, order, law or regulation applicable to Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance on any assets of Lessee or the Equipment pursuant to any indenture, mortgage, deed of trust, bank loan or credit agreement or other instrument to which Lessee is a party or by which it or its assets may be bound, except as herein provided.

(k) The Equipment described in this Agreement is essential to the function of Lessee or to the service Lessee provides to its citizens. Lessee has an immediate need for, and expects to make immediate use of, substantially all the Equipment, which need is not temporary or expected to diminish in the foreseeable future. The Equipment will be used by Lessee only for the purpose of performing one or more of Lessee's governmental or proprietary functions consistent with the permissible scope of Lessee's authority.

(l) Neither the payment of the Rental Payments hereunder nor any portion thereof is (i) secured by any interest in property used or to be used in a trade or business of a non-exempt person (within the meaning of Section 103 of the Code) or in payments in respect of such property or (ii) derived from payments in respect of property, or borrowed money, used or to be used in a trade or business of a non-exempt person (within the meaning of Section 103 of the Code). No portion of the Equipment will be used directly or indirectly in any trade or business carried on by any non-exempt person (within the meaning of Section 103 of the Code).

(m) Lessee will comply with all applicable provisions of the Code, including without limitation Sections 103 and 148 thereof, and the applicable regulations of the Treasury Department to maintain the exclusion of the interest components of Rental Payments from gross income for purposes of federal income taxation.

(n) Lessee will use the proceeds of this Agreement as soon as practicable and with all reasonable dispatch for the purpose for which this Agreement has been entered into. No part of the proceeds of this Agreement will be invested in any securities, obligations or other investments or used, at any time, directly or indirectly, in a manner which, if such use had been reasonably anticipated on the date of the execution and delivery of this Agreement, would have caused any portion of this Agreement to be or become an "arbitrage bond" within the meaning of Section 103(b)(2) or Section 148 of the Code and the applicable regulations of the Treasury Department.

(o) Lessee has never failed to pay payments coming due under any bond issue, lease purchase agreement, contract or other indebtedness obligation of Lessee.

(p) The useful life of the Equipment will not be less than the Maximum Lease Term.

(q) The application, statements and credit or financial information submitted by Lessee to Lessor are true and correct and made to induce Lessor to enter into this Agreement and the related escrow agreement, and Lessee has experienced no material change in its financial condition since the date(s) of such information.

(r) Lessee has provided Lessor with audited financial statements through December 31, 2024. Lessee has experienced no material change in its financial condition or in the revenues expected to be utilized to meet Rental Payments due under this Agreement since December 31, 2024.

(s) Lessee shall pay the excess (if any) of the actual costs of acquiring the Equipment under the Agreement over the amount deposited by Lessor in the escrow fund established under the related escrow agreement and interest earnings thereon.

(t) This Agreement has been designated as a "qualified tax-exempt obligation" as defined in Section 265(b)(3)(B) of the Code.

(u) The Equipment is not a replacement, repair, substitution or proceeds of any equipment or personal property subject to a prior lien or security interest of a third party.

(v) Lessee is the fee owner of the real estate where the Equipment is and will be located and has good and marketable title thereto, and there exists no mortgage, pledge, lien, security interest, charge or other encumbrance of any nature whatsoever on or with respect to such real estate.

(w) The capital cost that would be required to purchase the Equipment if paid for by cash would be \$4,962,161. Lessee has estimated and believes that the aggregate costs of the Equipment to be acquired, equipped and installed will not exceed the amount being provided by Lessor under this Agreement, together with other funds Lessee has available to pay such costs.

(x) The annual average effective interest cost of this Agreement is 5.00% per annum.

(y) No amount (assuming continuation of this Agreement through the Maximum Lease Term) is included in Rental Payments for service, maintenance, insurance and other charges exclusive of capital cost and interest cost.

Section 3. Certification as to Arbitrage. Lessee hereby represents as follows:

(a) The estimated total costs of acquiring and installing the Equipment, together with any costs of entering into this Agreement that are expected to be financed under this Agreement, will not be less than the total principal portion of the Rental Payments.

(b) Lessee has incurred, or will incur within six (6) months after the date hereof, a substantial binding obligation to a third party to spend at least 5% of proceeds of this Agreement to acquire the Equipment. The completion of the acquisition of the Equipment and the allocation of proceeds of this Agreement to expenditures will proceed with due diligence. At least 85% of the proceeds of this Agreement will be allocated to expenditures to acquire the Equipment within three (3) years after the Commencement Date hereof.

(c) Lessee has not created or established, and does not expect to create or establish, any sinking fund or other similar fund (i) that is reasonably expected to be used to pay the Rental Payments, or (ii) that may be used solely to prevent a default in the payment of the Rental Payments.

(d) The Equipment has not been and is not expected to be sold or otherwise disposed of by Lessee, either in whole or in major part, prior to the last maturity of the Rental Payments.

(e) To the best of Lessee's knowledge, information and belief, the above expectations are reasonable.

Section 4. Lease of Equipment. Lessor hereby demises, leases and lets the Equipment to Lessee, and Lessee rents, leases and hires the Equipment from Lessor, in accordance with the provisions of this Agreement, for the Lease Term.

Section 5. Lease Term. The Original Term of this Agreement will commence on the Commencement Date and will terminate on the last day of Lessee's current fiscal year. The Lease Term may be continued, solely at the option of Lessee, at the end of the Original Term or any Renewal Term for an additional Renewal Term up to the Maximum Lease Term. At the end of the Original Term and at the end of each Renewal Term until the Maximum Lease Term has been completed, Lessee will be deemed to have exercised its option to continue this Agreement for the next Renewal Term unless Lessee has terminated this Agreement pursuant to **Section 6** or **Section 31**. The terms and conditions during any Renewal Term will be the same as the terms and conditions during the Original Term, except that the Rental Payments will be as provided in the Payment Schedule.

Section 6. Termination of Lease Term. The Lease Term will terminate upon the earliest of any of the following events:

(a) the expiration of the Original Term or any Renewal Term of this Agreement and the nonrenewal of this Agreement in the event of nonappropriation of funds pursuant to **Section 8**;

(b) the exercise by Lessee of the option to purchase the Equipment under the provisions of **Section 31** and payment of the Purchase Price and all amounts payable in connection therewith;

(c) an Event of Default by Lessee and Lessor's election to terminate this Agreement under **Section 36**; or

(d) the payment by Lessee of all Rental Payments authorized or required to be paid by Lessee hereunder during the Maximum Lease Term.

Section 7. Continuation of Lease Term. Lessee currently intends, subject to the provisions of **Section 8** and **Section 12**, to continue the Lease Term through the Original Term and all of the Renewal Terms and to pay the Rental Payments hereunder. Lessee reasonably believes that legally available funds in an amount sufficient to make all Rental Payments during the Original Term and each of the Renewal

Terms can be obtained. The responsible financial officer of Lessee will do all things lawfully within his or her power to obtain and maintain funds from which the Rental Payments may be made, including making provision for such Rental Payments to the extent necessary in each proposed annual budget submitted for approval in accordance with applicable procedures of Lessee and to exhaust all available reviews and appeals in the event such portion of the budget is not approved. Notwithstanding the foregoing, the decision whether or not to budget or appropriate funds or to extend this Agreement for any Renewal Term is solely within the discretion of the then current governing body of Lessee.

Section 8. Nonappropriation. Lessee is obligated only to pay such Rental Payments under this Agreement as may lawfully be made from funds budgeted and appropriated for that purpose during Lessee's then current fiscal year. In the event sufficient funds will not be appropriated or are not otherwise legally available to pay the Rental Payments required to be paid in the next occurring Renewal Term, as set forth in the Payment Schedule, this Agreement will be deemed to be terminated at the end of the then current Original Term or Renewal Term. Lessee agrees to deliver notice to Lessor of such termination at least 90 days prior to the end of the then current Original Term or Renewal Term, but failure to give such notice will not extend the Lease Term beyond such Original Term or Renewal Term. If this Agreement is terminated in accordance with this Section, Lessee agrees, at Lessee's cost and expense, to peaceably deliver the Equipment to Lessor at the location or locations specified by Lessor. Lessor may exercise all available legal and equitable rights and remedies in retaking possession of the Equipment.

Section 9. Rental Payments. Lessee will pay Rental Payments from all legally available funds, in lawful money of the United States of America to Lessor in the amounts and on the dates set forth on the Payment Schedule, such payment to be made by wire or other form of electronic payment in accordance with written instructions provided by Lessor or, with Lessor's consent, by such other commercially reasonable method of payment. Rental Payments will be in consideration for Lessee's use of the Equipment during the fiscal year in which such payments are due. Any Rental Payment not received on or before its due date will bear interest at the rate of 10% per annum or the maximum amount permitted by law, whichever is less, from its due date.

In the event that it is determined that any of the interest components of Rental Payments may not be excluded from Lessor's gross income for purposes of federal income taxation, Lessee agrees to pay to Lessor promptly after any such determination and on each Rental Payment Date thereafter an additional amount determined by Lessor to compensate Lessor for the loss of such excludability (including without limitation, compensation relating to interest expense, penalties or additions to tax), which determination shall be conclusive absent manifest error.

Section 10. Interest Component. As set forth on the Payment Schedule, a portion of each Rental Payment is paid as, and represents payment of, interest.

Section 11. Rental Payments To Be Unconditional. Except as provided in Section 8, the obligations of Lessee to make Rental Payments and to perform and observe the other covenants and agreements contained herein shall be absolute and unconditional in all events without abatement, diminution, deduction, set-off or defense, for any reason, including without limitation any failure by the Vendor to deliver or install the Equipment or otherwise perform any of its obligations for whatever reason, including bankruptcy, insolvency, reorganization or similar event with respect to the Vendor or under the Vendor Agreement, disputes with Lessor or the Vendor of any of the Equipment, any defects, malfunctions, breakdowns or infirmities in the Equipment or any accident, condemnation or unforeseen circumstances or the failure of Lessor or any other person or entity to perform its obligations under this Agreement or any other agreement.

Section 12. Rental Payments to Constitute a Current Expense of Lessee. The obligation of Lessee to pay Rental Payments hereunder will constitute a current expense of Lessee, is from year to year and does not constitute a mandatory payment obligation of Lessee in any fiscal year beyond the then current fiscal year of Lessee. Lessee's obligation hereunder will not in any way be construed to be an indebtedness of Lessee in contravention of any applicable constitutional, charter or statutory limitation or requirement concerning the creation of indebtedness by Lessee, nor will anything contained herein constitute a pledge of the general credit, tax revenues, funds or moneys of Lessee.

Section 13. Delivery, Installation and Acceptance of the Equipment. Lessee will order the Equipment, cause the Equipment to be delivered and installed at the location(s) specified on **Exhibit A** and pay any and all delivery and installation costs in connection therewith. When the Equipment has been delivered and installed, Lessee will immediately accept the Equipment and evidence said acceptance by executing and delivering to Lessor a certificate of acceptance and payment request in substantially the form attached to the related escrow agreement in form and substance acceptable to Lessor. After it has been delivered and installed, the Equipment will not be moved from the location(s) specified on **Exhibit A** without Lessor's consent, which consent will not be unreasonably withheld.

Section 14. Enjoyment of Equipment. Lessor hereby covenants to provide Lessee with quiet use and enjoyment of the Equipment during the Lease Term, and Lessee will peaceably and quietly have and hold and enjoy the Equipment during the Lease Term, without suit, trouble or hindrance from Lessor, except as otherwise expressly set forth in this Agreement.

Section 15. Right of Inspection. Lessor will have the right at all reasonable times during regular business hours to enter into and upon the property of Lessee for the purpose of inspecting the Equipment.

Section 16. Use of the Equipment. Lessee will not install, use, operate or maintain the Equipment improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by this Agreement. Lessee will obtain all permits and licenses, if any, necessary for the installation and operation of the Equipment. In addition, Lessee agrees to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each item of the Equipment) with all applicable laws, regulations and rulings of any applicable legislative, executive, administrative or judicial body; provided, however, that Lessee may contest in good faith the validity or application of any such law, regulation or ruling in any reasonable manner that does not, in the opinion of Lessor, adversely affect the interest of Lessor in and to the Equipment or its interest or rights under this Agreement.

Section 17. Maintenance of Equipment. Lessee agrees that it will, at Lessee's own cost and expense, maintain, preserve and keep the Equipment in good repair, working order and condition. Lessor will have no responsibility to maintain, or repair or to make improvements or additions to the Equipment. If requested to do so by Lessor, Lessee will enter into a maintenance contract for the Equipment with Vendor.

Section 18. Title to the Equipment. During the Lease Term, title to the Equipment and any and all additions, repairs, replacements or modifications will vest in Lessee, subject to the rights of Lessor under this Agreement; provided that title will thereafter immediately and without any action by Lessee vest in Lessor, and Lessee will immediately surrender possession of the Equipment to Lessor upon (a) any termination of this Agreement other than termination pursuant to **Section 31** or (b) the occurrence of an Event of Default. It is the intent of the parties hereto that any transfer of title to Lessor pursuant to this Section will occur automatically without the necessity of any bill of sale, certificate of title or other instrument of conveyance. Lessee will, nevertheless, execute and deliver any such instruments as Lessor may request to evidence such transfer. Lessee irrevocably designates, makes, constitutes and appoints Lessor and its assignee as Lessee's true and lawful attorney (and agent in-fact) with power, at such time of termination or times thereafter as Lessor in its sole and absolute discretion may determine, in Lessee's or Lessor's or such assignee's name, to endorse the name of Lessee upon any bill of sale, document, instrument, invoice, freight bill, bill of lading or similar document relating to the Equipment in order to vest title in Lessor and transfer possession to Lessor.

Section 19. Security Interest. To secure the payment of all of Lessee's obligations under this Agreement and to the extent permitted by law, Lessor retains a security interest constituting a first lien on the Equipment (as defined herein) and all insurance proceeds therefrom. Lessee agrees to execute such additional documents in form satisfactory to Lessor, that Lessor deems necessary or appropriate to establish and maintain its security interest. Lessee agrees that financing statements may be filed with respect to the security interest in the Equipment.

As further security therefor, Lessee grants to Lessor a first priority security interest in the cash and negotiable instruments from time to time comprising the escrow fund, if any, established under any related escrow agreement and all proceeds (cash and non-cash) thereof, and agrees with respect thereto that Lessor shall have all the rights and remedies of a secured party.

Section 20. Personal Property; No Encumbrances. Lessor and Lessee agree that the Equipment is and will remain personal property. The Equipment will not be deemed to be affixed to or a part of the real estate on which it may be situated, notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner physically affixed or attached to such real estate or any building thereon. Upon the request of Lessor, Lessee will, at Lessee's expense, furnish a waiver of any interest in the Equipment from any party having an interest in any such real estate or building. Lessee shall not create, incur, assume or permit to exist any mortgage, pledge, lien, security interest, charge or other encumbrance of any nature whatsoever on any of the real estate where the Equipment is or will be located or enter into any agreement to sell or assign or enter into any sale/leaseback arrangement of such real estate without the prior written consent of Lessor; provided, that if Lessor or its assigns is furnished with a waiver of interest in the Equipment acceptable to Lessor or its assigns in its discretion from any party taking an interest in any such real estate prior to such interest taking effect, such consent shall not unreasonably withheld.

Section 21. Liens, Taxes, Other Governmental Charges and Utility Charges. Lessee will keep the Equipment free and clear of all liens, charges and encumbrances, except those created under this Agreement. The parties to this Agreement contemplate that the Equipment will be used for a governmental or proprietary purpose of Lessee and, therefore, that the Equipment will be exempt from all property taxes and other similar charges. If the use, possession or acquisition of the Equipment is found to be subject to taxation in any form, Lessee will pay all taxes and governmental charges lawfully assessed or levied against or with respect to the Equipment. Lessee will pay all utility and other charges incurred in the use and maintenance of the Equipment. Lessee will pay such taxes and charges as the same become due; provided that, with respect to any such taxes and charges that may lawfully be paid in installments over a period of years, Lessee will be obligated to pay only such installments that accrue during the Lease Term.

Section 22. Insurance. At its own expense, Lessee will maintain (a) casualty insurance insuring the Equipment against loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State and any other risks reasonably required by Lessor in an amount at least equal to the then applicable Purchase Price of the Equipment, (b) liability insurance that protects Lessor from liability in all events in form and amount satisfactory to Lessor, and (c) workers' compensation coverage as required by the laws of the State; provided that, with Lessor's prior written consent, Lessee may self-insure against the risks described in clauses (a) and (b), to the extent permitted by law. All insurance proceeds from casualty losses will be payable as hereinafter provided. Lessee will furnish to Lessor certificates evidencing such coverage throughout the Lease Term. Lessee shall also provide or cause to be provided to Lessor payment and performance bonds from the Vendor, each naming Lessor as an additional obligee issued by a surety company rated "A" or better by AM Best in an amount equal to or greater than the cost of the Equipment.

All such casualty and liability insurance will be with insurers that are acceptable to Lessor, will name Lessor and its successors and assigns as a loss payee and additional insured and will contain a provision to the effect that such insurance will not be cancelled or modified materially without first giving written notice thereof to Lessor at least ten days in advance of such cancellation or modification. All such casualty insurance will contain a provision making any losses payable to Lessee and Lessor, as their respective interests may appear.

Section 23. Advances. In the event Lessee fails to maintain the insurance required by this Agreement, pay taxes or charges required to be paid by it under this Agreement or fails to keep the Equipment in good repair and operating condition, Lessor may (but will be under no obligation to) purchase the required policies of insurance and pay the cost of the premiums thereof, pay such taxes and charges and make such Equipment repairs or replacements as are necessary and pay the cost thereof. All amounts so advanced by Lessor will become additional rent for the then current Original Term or Renewal Term. Lessee agrees to pay such amounts with interest thereon from the date paid at the rate of 10% per annum or the maximum permitted by law, whichever is less.

Section 24. Financial Information. Upon request, Lessee shall furnish or cause to be furnished to Lessor, at Lessee's expense, as soon as available after the close of each fiscal year, the audited financial statement of Lessee at the close of and for such fiscal year, all in reasonable detail, with supporting schedules, audited by and with the report of Lessee's auditor (the "Audit"), which may be in electronic .pdf format. In the event the Audit is filed on the MSRB's "EMMA" website, to satisfy this requirement Lessee may email a link to the posted Audit to Lessor. In the event that the Audit is not available within

360 days after the close of such fiscal year, upon request from Lessor, Lessee will furnish unaudited financial statements to Lessor in the manner described in this Section, and will then supply the Audit immediately upon the availability thereof. The electronic audit or link may be sent to Lessor at the following email address (or such other email address as Lessor supplies to Lessee in writing): copfinformation@capitalone.com.

Section 25. Release and Indemnification. To the extent permitted by law, Lessee will indemnify, protect and hold harmless Lessor from and against any and all liability, obligations, losses, claims and damages whatsoever, regardless of cause thereof, and expenses in connection therewith (including, without limitation, counsel fees and expenses and any federal income tax and interest and penalties connected therewith imposed on interest received) arising out of or as the result of (a) the entering into this Agreement, (b) the ownership of any item of the Equipment, (c) the manufacturing, ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any item of the Equipment, (d) any accident in connection with the operation, use, condition, possession, storage or return of any item of the Equipment resulting in damage to property or injury or death to any person or (e) the breach of any covenant herein or any material misrepresentation contained herein. The indemnification arising under this paragraph will continue in full force and effect notwithstanding the full payment of all obligations under this Agreement or the termination of the Lease Term for any reason.

Section 26. Risk of Loss. Lessee assumes, from and including the Commencement Date, all risk of loss of or damage to the Equipment from any cause whatsoever. No such loss of or damage to the Equipment nor defect therein nor unfitness or obsolescence thereof will relieve Lessee of the obligation to make Rental Payments or to perform any other obligation under this Agreement.

Section 27. Damage, Destruction, Condemnation; Use of Proceeds. If (a) the Equipment or any portion thereof is destroyed, in whole or in part, or is damaged by fire or other casualty, or (b) title to, or the temporary use of, the Equipment or any part thereof or the interest of Lessee or Lessor in the Equipment or any part thereof will be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, Lessee and Lessor will cause the Net Proceeds of any insurance claim or condemnation award to be applied to the prompt replacement, repair, restoration, modification or improvement of the Equipment, unless Lessee has exercised its option to purchase the Equipment pursuant to **Section 31**. Any balance of the Net Proceeds remaining after such work has been completed will be paid to Lessee.

Section 28. Insufficiency of Net Proceeds. If the Net Proceeds are insufficient to pay in full the cost of any repair, restoration, modification or improvement referred to in **Section 27**, Lessee will either (a) complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds, or (b) purchase Lessor's interest in the Equipment pursuant to **Section 31**. The amount of the Net Proceeds, if any, remaining after completing such repair, restoration, modification or improvement or after purchasing the Equipment will be retained by Lessee. If Lessee will make any payments pursuant to this Section, Lessee will not be entitled to any reimbursement therefor from Lessor nor will Lessee be entitled to any diminution of the amounts payable under **Section 9**.

Section 29. Disclaimer of Warranties. **LESSOR MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR PARTICULAR USE OR PURPOSE OF THE EQUIPMENT OR AGAINST INFRINGEMENT, OR ANY OTHER WARRANTY OR REPRESENTATION WITH RESPECT THERETO. IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY ACTUAL, INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGE IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR THE EXISTENCE, FURNISHING, FUNCTIONING OR LESSEE'S USE OR MAINTENANCE OF ANY EQUIPMENT OR SERVICES PROVIDED FOR IN THIS AGREEMENT.**

Section 30. Vendor's Warranties. Lessee may have rights under the contract evidencing the purchase of the Equipment; Lessee is advised to contact the Vendor for a description of any such rights. Lessee hereby assigns to Lessor during the Lease Term all warranties and representations, express or implied, running from Vendor to Lessee. Lessor hereby irrevocably appoints Lessee its agent and attorney-in-fact during the Lease Term, so long as Lessee will not be in default hereunder, to assert from time to time whatever claims and rights (including without limitation warranties) related to the Equipment that Lessor may have against the Vendor. Lessee's sole remedy for the breach of any such warranty, indemnification or representation

will be against the Vendor, and not against Lessor. Any such matter will not have any effect whatsoever on the rights and obligations of Lessor with respect to this Agreement, including the right to receive full and timely payments hereunder. Lessee expressly acknowledges that Lessor makes, and has made, no representations or warranties whatsoever as to the existence or availability of such warranties by the Vendor.

Section 31. Purchase Option; Prepayment.

(a) *Purchase Option.* (i) Lessee will have the option to purchase the Equipment, on May 28, 2029, or any Rental Payment Date thereafter, upon giving written notice to Lessor at least 30 days before the date of purchase, at the following times and upon payment in full of (A) the Rental Payment and all other amounts then due hereunder, plus (B) the Purchase Price designated on the Payment Schedule for such purchase date multiplied by the premium percentage listed below for such purchase date:

Period of Purchase/Prepayment	Premium Percentage
On and after May 28, 2029, but before May 28, 2033	102%
On and after May 28, 2033, but before May 28, 2036	101.5%
On and after May 28, 2036	101%

(ii) In the event of substantial damage to or destruction or condemnation (other than by Lessee or any entity controlled by or otherwise affiliated with Lessee) of substantially all of the Equipment, on the day Lessee specifies as the purchase date in Lessee's notice to Lessor of its exercise of the purchase option, upon payment in full of the Rental Payment and all other amounts then due hereunder plus (A) the Purchase Price designated on the Payment Schedule for such purchase date if such purchase date is a Rental Payment Date or the Purchase Price for the immediately preceding Rental Payment Date if such purchase date is not a Rental Payment Date, and (B) if such day is not a Rental Payment Date, an amount equal to the portion of the interest component of the Rental Payment scheduled to come due on the following Rental Payment Date accrued from the immediately preceding Rental Payment Date to such purchase date, computed on the basis of a 360-day year of twelve 30-day months.

(b) *Prepayment in Part.* (i) Lessee will have the option to prepay in part outstanding principal components of Rental Payments, without payment of any prepayment premium, upon giving written notice to Lessor at least 30 days before the date of prepayment, on any time. The option prescribed in this **Section 31(b)(i)** shall (A) be exercised only on or prior to May 28, 2029, (B) be paid solely from federal investment tax credit proceeds received in connection with the acquisition and installation of the Equipment, and (C) be made in a maximum aggregate amount for all prepayments not exceeding \$2,000,000.

(ii) Lessee will have the option to prepay in part outstanding principal components of Rental Payments, without payment of any prepayment premium, upon giving written notice to Lessor at least 30 days before the date of prepayment, on any Rental Payment Date. The option prescribed in this **Section 31(b)(ii)** shall (A) be exercised not more than one time each calendar year, and (B) be made in an amount not exceeding \$400,000 in each calendar year.

(iii) In the event of any such prepayment under **Section 31(b)**, the Payment Schedule will be revised to reflect a principal reduction in inverse order of Rental Payment Dates and shall supersede and replace the initial Payment Schedule attached hereto as **Exhibit B**, as specified by Lessor and acknowledged by Lessee, without any further action by Lessor or Lessee.

(c) *Prepayment from Escrow Fund Monies.* Any funds not applied to pay costs of the Equipment and remaining in the escrow fund established under the related escrow agreement on the earliest of (i) the end of the Acquisition Period or (ii) upon receipt by the escrow agent under such escrow agreement of a duly executed certificate of acceptance and payment request identified as the final such request, shall, first be applied to all reasonable fees and expenses incurred by such escrow agent, if applicable, in connection with such escrow fund as evidenced by its statement forwarded to Lessor and Lessee; and, second be paid to Lessor, to be applied by Lessor on any Rental Payment Date to all or a portion of the Rental Payment due and owing in the succeeding twelve (12) months and any remaining amounts shall be applied by Lessor as prepayment to the remaining principal balance owing hereunder in inverse order of Rental Payment Dates, unless Lessor directs that payment of such amount be made in such other manner that, in the opinion of

nationally recognized counsel in the area of tax exempt municipal obligations satisfactory to Lessor, will not adversely affect the exclusion of the interest components of Rental Payments from gross income for federal income tax purposes. If any such amount is applied against the outstanding principal components of Rental Payments, the Payment Schedule attached hereto will be revised accordingly.

On the final Rental Payment Date, Lessee will be deemed to have exercised its option to purchase the Equipment, without requirement for written notice, upon payment in full of the Rental Payments then due, plus all other amounts due hereunder and not yet paid.

Upon the exercise of the option to purchase set forth above, title to the Equipment will be vested in Lessee, free and clear of any claim by or through Lessor.

Section 32. Determination of Fair Purchase Price. Lessee and Lessor hereby agree and determine that the Rental Payments hereunder during the Original Term and each Renewal Term represent the fair value of the use of the Equipment and that the amount required to exercise Lessee's option to purchase the Equipment pursuant to **Section 31** represents, as of the end of the Original Term or any Renewal Term, the fair purchase price of the Equipment. Lessee hereby determines that the Rental Payments do not exceed a reasonable amount so as to place Lessee under a practical economic compulsion to renew this Agreement or to exercise its option to purchase the Equipment hereunder. In making such determinations, Lessee and Lessor have given consideration to (a) the costs of the Equipment, (b) the uses and purposes for which the Equipment will be employed by Lessee, (c) the benefit to Lessee by reason of the acquisition and installation of the Equipment and the use of the Equipment pursuant to the terms and provisions of this Agreement, and (d) Lessee's option to purchase the Equipment. Lessee hereby determines and declares that the acquisition and installation of the Equipment and the leasing of the Equipment pursuant to this Agreement will result in equipment of comparable quality and meeting the same requirements and standards as would be necessary if the acquisition and installation of the Equipment were performed by Lessee other than pursuant to this Agreement. Lessee hereby determines and declares that the Maximum Lease Term does not exceed the useful life of the Equipment.

Section 33. Assignment by Lessor. Lessor's interest in, to and under this Agreement and the Equipment may be assigned and reassigned in whole or in part to one or more assignees by Lessor without the necessity of obtaining the consent of Lessee; and such assignment, transfer or conveyance shall be made only to (i) an affiliate of Lessor or (ii) banks, insurance companies, trusts, custodians, government entities, conduits or other financial institutions or their affiliates, but no such assignment, transfer or conveyance shall be effective as against Lessee unless and until Lessor has delivered to Lessee written notice thereof that discloses the name(s) and address(es) of the assignee(s) or the Lease Servicer (as hereafter provided). Nothing herein shall limit the right of Lessor or its assignees to sell, assign or grant participation interests in this Agreement to one or more entities listed in (i) or (ii); provided that if such assignment is made pursuant to a participation, custodial or similar agreement under which multiple ownership interests in this Agreement are created, it shall establish a single entity, owner, servicer or other fiduciary or agent to act on behalf of all of the holders of such participation interests (herein referred to as the "Lease Servicer") with respect to the rights and interests of such holders hereunder, including the exercise of rights and remedies thereunder upon the occurrence of an event of default or an event of non-appropriation, and further including the maintenance of a register by which a record of the names and addresses of such holders as of any particular time is kept and agrees, upon request of Lessee, to furnish such information to Lessee. Lessee will retain all notices of assignment as a register of all assignees and will make all payments to the assignee, assignees or Lease Servicer designated in such register. Lessee agrees to execute all documents, including notices of assignment and chattel mortgages or financing statements that may be reasonably requested by Lessor or any assignee to protect its interest in the Equipment and in this Agreement and agrees to the filing of financing statements with respect to the Equipment and this Agreement. Lessee will not have the right to and will not assert against any assignee any claim, counterclaim, defense, set-off or other right Lessee may have against Lessor.

Section 34. Assignment and Subleasing by Lessee. None of Lessee's right, title and interest in, to and under this Agreement and the Equipment may be assigned or encumbered by Lessee for any reason, except that Lessee may sublease all or part of the Equipment if Lessee obtains the prior written consent of Lessor and an opinion of nationally recognized counsel in the area of tax exempt municipal obligations satisfactory to Lessor that such subleasing will not adversely affect the exclusion of the interest components of the Rental Payments from gross income for federal income tax purposes. Any such sublease of all or part of the

Equipment will be subject to this Agreement and the rights of Lessor in, to and under this Agreement and the Equipment.

Section 35. Events of Default Defined. Subject to the provisions of **Section 8**, any of the following will be “Events of Default” under this Agreement:

(a) Failure by Lessee to pay any Rental Payment or other payment required to be paid hereunder at the time specified herein;

(b) Failure by Lessee to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in **Section 35(a)**, for a period of 30 days after written notice, specifying such failure and requesting that it be remedied, is given to Lessee by Lessor, unless Lessor will agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the default is corrected;

(c) Any statement, representation or warranty made by Lessee in or pursuant to this Agreement or its execution, delivery or performance will prove to have been false, incorrect, misleading or breached in any material respect on the date when made;

(d) Any provision of this Agreement will at any time for any reason cease to be valid and binding on Lessee, or will be declared to be null and void, or the validity or enforceability thereof will be contested by Lessee or any governmental agency or authority if the loss of such provision would materially adversely affect the rights or security of Lessor, or Lessee will deny that it has any further liability or obligation under this Agreement;

(e) Lessee will (i) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of Lessee, or of all or a substantial part of the assets of Lessee, (ii) be unable, fail or admit in writing its inability generally to pay its debts as they become due, (iii) make a general assignment for the benefit of creditors, (iv) have an order for relief entered against it under applicable federal bankruptcy law, or (v) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or taking advantage of any insolvency law or any answer admitting the material allegations of a petition filed against Lessee in any bankruptcy, reorganization or insolvency proceeding; or

(f) An order, judgment or decree will be entered by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator of Lessee or of all or a substantial part of the assets of Lessee, in each case without its application, approval or consent, and such order, judgment or decree will continue unstayed and in effect for any period of 30 consecutive days.

Section 36. Remedies on Default. Whenever any Event of Default exists, Lessor will have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps:

(a) By written notice to Lessee, Lessor may declare all Rental Payments and other amounts payable by Lessee hereunder to the end of the then current Original Term or Renewal Term to be due;

(b) With or without terminating this Agreement, Lessor may enter the premises where the Equipment is located and retake possession of the Equipment or require Lessee at Lessee’s expense to promptly return any or all of the Equipment to the possession of Lessor at a place specified by Lessor, and sell or lease the Equipment or, for the account of Lessee, sublease the Equipment, holding Lessee liable for the difference between (i) the Rental Payments and other amounts payable by Lessee hereunder plus the applicable Purchase Price, and (ii) the net proceeds of any such sale, lease or sublease (after deducting all expenses of Lessor in exercising its remedies under this Agreement, including without limitation, all expenses of taking possession, storing, reconditioning and selling or leasing the Equipment and all brokerage, auctioneers’ and attorneys’ fees) provided that the amount of Lessee’s liability under this subparagraph (b) shall not exceed the Rental Payments and other amounts otherwise due hereunder plus the remaining Rental Payments and other amounts payable by Lessee to the end of the then current Original Term or Renewal Term;

(c) Lessor may provide written notice of the occurrence of an Event of Default to the escrow agent under the related escrow agreement, and the escrow agent shall thereupon promptly remit to Lessor the entire balance of the escrow fund established thereunder; and

(d) Lessor may take whatever other action at law or in equity may appear necessary or desirable to enforce its rights as the owner of the Equipment.

In addition, Lessee will remain liable for all covenants and indemnities under this Agreement and for all legal fees and other costs and expenses, including court costs, incurred by Lessor with respect to the enforcement of any of the remedies listed above or any other remedy available to Lessor.

Section 37. No Remedy Exclusive. No remedy herein conferred upon or reserved to Lessor is intended to be exclusive and every such remedy will be cumulative and will be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default will impair any such right or power or will be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle Lessor to exercise any remedy reserved to it in this Agreement it will not be necessary to give any notice, other than such notice as may be required in this Agreement.

Section 38. Notices. All notices, certificates or other communications hereunder will be sufficiently given and will be deemed given when delivered or mailed by registered mail, postage prepaid, to the parties at the addresses immediately after the signatures to this Agreement (or at such other address as either party hereto will designate in writing to the other for notices to such party), to any assignee at its address as it appears on the register maintained by Lessee.

Section 39. Binding Effect. This Agreement will inure to the benefit of and will be binding upon Lessor and Lessee and their respective successors and assigns.

Section 40. Severability. In the event any provision of this Agreement will be held invalid or unenforceable by any court of competent jurisdiction, such holding will not invalidate or render unenforceable any other provision hereof.

Section 41. Entire Agreement. This Agreement constitutes the entire agreement between Lessor and Lessee.

Section 42. Amendments. This Agreement may be amended, changed or modified in any manner by written agreement of Lessor and Lessee. Any waiver of any provision of this Agreement or any right or remedy hereunder must be affirmatively and expressly made in writing and will not be implied from inaction, course of dealing or otherwise.

Section 43. Execution in Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which will be an original and all of which will constitute but one and the same instrument.

Section 44. Captions. The captions or headings in this Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections of this Agreement.

Section 45. Applicable Law. This Agreement will be governed by and construed in accordance with the laws of the State. This Agreement is intended to constitute a valid "lease-purchase agreement" as defined in K.S.A. 10-1116b, and this Agreement is subject to and governed by the terms of the laws of the State and shall be construed to the greatest extent possible as complying with the terms thereof. Lessee is obligated only to pay periodic payments or monthly installments under this Agreement as may lawfully be made from funds budgeted and appropriated for that purpose during Lessee's current budget year.

Section 46. Electronic Transactions. The parties agree that the transaction described herein may be conducted and related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

Section 47. Role of Lessor. Lessor is acting solely for its own loan account and not as a fiduciary for Lessee or in the capacity of broker, dealer, placement agent, municipal securities underwriter, municipal advisor or fiduciary. Lessor has not provided, and will not provide, financial, legal (including securities law), tax, accounting or other advice to or on behalf of Lessee (including to any financial advisor or any placement agent engaged by Lessee) with respect to the structuring, issuance, sale or delivery of this Agreement. Lessor has no fiduciary duty pursuant to Section 15B of the Securities Exchange Act of 1934 to Lessee with respect to the transactions relating to the structuring, issuance, sale or delivery of this Agreement and the discussions, undertakings and procedures leading thereto. Each of Lessee and, if applicable, its financial advisor and its placement agent has sought and shall seek and obtain financial, legal (including securities law), tax, accounting and other advice (including as it relates to structure, timing, terms and similar matters and compliance with legal requirements applicable to such parties) with respect to this Agreement from its own financial, legal, tax and other advisors (and not from the undersigned or its affiliates) to the extent that Lessee and, if applicable, its financial advisor or its placement agent desires, should or needs to obtain such advice. The undersigned expresses no view regarding the legal sufficiency of its representations for purposes of compliance with any legal requirements applicable to any other party, including but not limited to Lessee's financial advisor or placement agent, or the correctness of any legal interpretation made by counsel to any other party, including but not limited to counsel to Lessee's financial advisor or placement agent, with respect to any such matters. The transactions between Lessee and Lessor are arm's length, commercial transactions in which Lessor is acting and has acted solely as a principal and for its own interest and Lessor has not made recommendations to Lessee with respect to the transactions relating to this Agreement.

Section 48. Lessee's Notice Filings Related to this Agreement for SEC Rule 15c2-12. In connection with Lessee's compliance with any continuing disclosure undertakings (each, a "Continuing Disclosure Agreement") entered into by Lessee on and after February 27, 2019, pursuant to SEC Rule 15c2-12 promulgated pursuant to the Securities and Exchange Act of 1934, as amended (the "Rule"), Lessor acknowledges that Lessee may be required to file with the Municipal Securities Rulemaking Board's Electronic Municipal Market Access system, or its successor ("EMMA"), notice that Lessee has incurred obligations under this Agreement and notice of certain subsequent events reflecting financial difficulties in connection with this Agreement. Lessee agrees that it shall not file or submit, or permit to be filed or submitted, with EMMA any documentation that includes the following unredacted sensitive or confidential information about Lessor or its affiliates: address and account information of Lessor or its affiliate, e-mail addresses, telephone numbers, fax numbers, names and signatures of officers, employees and signatories of Lessor or its affiliates, or any account information for any related escrow agreement, unless otherwise required for compliance with the Rule or otherwise required by law. Lessee acknowledges that Lessor is not responsible for Lessee's compliance or noncompliance with the Rule or any Continuing Disclosure Agreement.

IN WITNESS WHEREOF, Lessor and Lessee have caused this Agreement to be executed in each entity's name by their duly authorized officers as of the date first above written.

THIS ESCROW AGREEMENT (this “Escrow Agreement”) dated May 28, 2026 is entered into by and among Capital One Public Funding, LLC (“Lessor”), the City of Anthony, Kansas (“Lessee”), and Security Bank of Kansas City (the “Escrow Agent”).

Lessor and Lessee have heretofore entered into that certain Equipment Lease Purchase Agreement dated as of May 28, 2026 (the “Agreement”). The Agreement contemplates that certain equipment described therein (the “Equipment”) is to be acquired from the vendor(s) or manufacturer(s) thereof.

After acceptance of the Equipment by Lessee, the Equipment is to be leased by Lessor to Lessee pursuant to the terms of the Agreement.

The Agreement contemplates that Lessor will deposit with the Escrow Agent cash in the amount of \$4,962,161, to be held in escrow by the Escrow Agent and applied on the express terms and conditions set forth herein. Such deposit, together with all interest and additions received with respect thereto (hereinafter, the “Escrow Fund”), is to be applied from time to time to pay certain costs of acquiring and installing the Equipment (a portion of which may, if required, be paid prior to final acceptance of the Equipment by Lessee) and, if requested by Lessee, to pay certain costs of entering into the Agreement. The Escrow Fund Termination Date is May 28, 2029.

The parties desire to set forth the terms on which the escrow is to be created and to establish the rights and responsibilities of the parties hereto.

NOW, THEREFORE, the parties agree as follows:

1. The Escrow Agent hereby agrees to serve as escrow agent upon the terms and conditions set forth herein. The Escrow Agent agrees that the Escrow Fund shall be held irrevocably in trust for the account and benefit of Lessee and Lessor and all interest earned with respect to the Escrow Fund shall accrue to the benefit of Lessee and shall be applied as expressly set forth herein.

To the limited extent required to perfect the security interest granted by Lessee to Lessor in the cash and negotiable instruments from time to time comprising the Escrow Fund, Lessor hereby appoints the Escrow Agent as its security agent, and the Escrow Agent hereby accepts the appointment as security agent, and agrees to hold possession of such cash and negotiable instruments on behalf of Lessor.

2. On such day as determined to the mutual satisfaction of the parties (the “Commencement Date”), Lessor shall deposit with the Escrow Agent cash in the amount of \$4,962,161 to be held by the Escrow Agent on the express terms and conditions set forth herein. The Escrow Agent agrees to accept the deposit of the Escrow Fund by Lessor, and further agrees to hold the amount so deposited together with all interest and other additions received with respect thereto in escrow on the express terms and conditions set forth herein.

3. The Escrow Agent shall at all times segregate the Escrow Fund into an account maintained for that express purpose, which shall be clearly identified on the books and records of the Escrow Agent as being held in its capacity as Escrow Agent. Securities and other negotiable instruments comprising the Escrow Fund from time to time shall be held or registered in the name of the Escrow Agent (or its nominee).

The Escrow Fund shall not, to the extent permitted by applicable law, be subject to levy or attachment or lien by or for the benefit of any creditor of any of the parties hereto (except with respect to the security interest therein held by Lessor).

4. Lessee hereby directs the Escrow Agent to invest the cash comprising the Escrow Fund from time to time in Qualified Investments (as hereinafter defined). Interest or other amounts earned and received by the Escrow Agent with respect to the Escrow Fund shall be deposited in and comprise a part of the Escrow Fund. No investment shall be made that would cause the Agreement to be deemed to be an arbitrage bond within the meaning of Section 148(a) of the Internal Revenue Code of 1986, as amended (the "Code"). For purposes of this Section 4, the term "Qualified Investments" means (i) direct obligations (other than an obligation subject to variation in principal repayment) of the United States of America ("United States Treasury Obligations"); (ii) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by the United States of America; (iii) obligations fully and unconditionally guaranteed as to timely payment of principal and interest by any agency or instrumentality of the United States of America when such obligations are backed by the full faith and credit of the United States of America; (iii) money market funds, which funds may be funds of the Escrow Agent, and which funds are rated "AAAm" or "AAAm G" by Standard & Poor's. Based upon Lessee's prior review of investment alternatives, in the absence of further specific written direction to the contrary, the Escrow Agent is hereby authorized to invest such moneys in an eligible money market fund as described under (iii) of the definition of Qualified Investments. . The Escrow Agent may conclusively rely upon Lessee's written investment directions as to both the suitability and legality of the directed investments and such written direction shall be deemed to be a certification to the Escrow Agent that such directed investments constitute Qualified Investments. The Escrow Agent shall have no responsibility with respect to monitoring or determining whether any investment directed by Lessee would cause the Agreement to be deemed to be an arbitrage bond within the meaning of Section 148(a) of the Code.

5. Lessor and Lessee hereby authorize the Escrow Agent to take the following actions with respect to the Escrow Fund:

a. From time to time, the Escrow Agent shall pay the vendor or manufacturer of the Equipment or Lessee or other payee upon receipt of the following: (i) a written request from Lessee (a "Certificate of Acceptance and Payment Request" in the form attached as **Exhibit A** to this Escrow Agreement duly executed by an Authorized Lessee Representative and approved for payment by Lessor by an Authorized Lessor Representative, (ii) the vendor(s) or manufacturer(s) invoice(s) specifying the acquisition price of the Equipment described in the Certificate of Acceptance and Payment Request, (iii) in the event that certain costs of entering into the Agreement are described in the Certificate of Acceptance and Payment Request, invoice(s) or other evidence specifying the amount(s) of such costs, and (iv) any additional documentation required by Lessor. The Escrow Agent has no duty to ascertain the correctness of any documents submitted in connection with any direction to disburse funds. An "Authorized Lessee Representative" shall be a person designated in the Incumbency Certificate attached hereto as **Exhibit B**, or on a subsequent Incumbency Certificate of Lessee received and acknowledged by Lessor and the Escrow Agent. An "Authorized Lessor Representative" shall be a person designated in the Certificate of Authorized Lessor Representatives" attached hereto as **Exhibit C**. Without limiting the foregoing, Lessor shall not be required to approve any such payment unless and until Lessee shall have provided or caused to be provided to Lessor (i) certificates of insurance evidencing coverage in accordance with Section 22 of the Agreement and satisfactory to Lessor and (ii) payment and performance bonds naming Lessor and its successors and assigns as an additional obligee and issued by a surety company rated "A" or better by AM Best in form and substance satisfactory to Lessor.

b. Upon receipt of a Certificate of Acceptance and Payment Request for payment of funds from the Escrow Fund, Lessor and the Escrow Agent may, but are not required to seek confirmation of such instructions by telephone call-back to any Authorized Lessee Representative designated on **Exhibit B** hereto, and Lessor and the Escrow Agent may rely upon the confirmations of anyone purporting to be such Authorized Lessee Representative. Notwithstanding the foregoing, Lessee agrees that neither the Escrow Agent nor Lessor shall have a duty to seek such confirmation, and shall have no liability for disbursement in accordance with the instructions contained in any Certificate of Acceptance and Payment Request submitted with signature of an Authorized Lessee Representative. The Escrow Agent shall confirm any Certificate of Acceptance and Payment Request by telephone call-back to the person or persons

designated for verifying such draw requests on **Exhibit C** (such person verifying the request shall be different than the person initiating the request). The persons and telephone numbers for call-backs may be changed only in writing actually received and acknowledged by Lessor and the Escrow Agent. The parties to this Escrow Agreement acknowledge that such security procedure is commercially reasonable.

c. It is understood that Lessor, the Escrow Agent and the beneficiary's bank in any funds transfer may rely solely upon any account numbers or similar identifying number provided by any party hereto to identify (i) the beneficiary, (ii) the beneficiary's bank, or (iii) an intermediary bank.

d. In the event that Lessor provides to the Escrow Agent written notice of the occurrence of an Event of Default or a nonappropriation by Lessee under the Agreement, the Escrow Agent shall thereupon promptly remit to Lessor the entire balance of the Escrow Fund after application of the Escrow Fund to all reasonable fees and expenses incurred by the Escrow Agent in connection herewith as evidenced by its statement forwarded to Lessor and Lessee.

e. Upon receipt by the Escrow Agent of a duly executed Certificate of Acceptance and Payment Request identified as the final such request, the remaining monies in the Escrow Fund shall, *first* be applied to all reasonable fees and expenses incurred by the Escrow Agent, if applicable, in connection herewith as evidenced by its statement forwarded to Lessor and Lessee; and, *second* be paid to Lessor, to be applied by Lessor on any Rental Payment Date to all or a portion of the Rental Payment due and owing in the succeeding twelve (12) months, and any remaining amounts shall be applied by Lessor as a prepayment to the remaining principal balance owing under the Agreement, at par, in inverse order of Rental Payment Dates, unless Lessor directs that payment of such amount be made in such other manner directed by Lessor that, in the opinion of nationally recognized counsel in the area of tax-exempt municipal obligations satisfactory to Lessor, will not adversely affect the exclusion of the interest components of Rental Payments from gross income for federal income tax purposes. If any such amount is used to prepay principal, the Payment Schedule attached to the Agreement will be revised accordingly as specified by Lessor.

f. Lessor and Lessee agree that the security procedures under this Section 5 are commercially reasonable.

g. In the event that the Escrow Agent makes any payment to any payee pursuant to this Escrow Agreement and for any reason such payment (or any portion thereof) is required to be returned to the Escrow Fund or is subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a receiver, trustee or other party under any bankruptcy or insolvency law, other federal or state law, common law or equitable doctrine, then the party who benefited from the payment to the payee shall repay to the Escrow Agent upon written request the amount so paid to the payee. The Escrow Agent shall not be liable to any party or any other person by reason of such payment.

6. The reasonable fees and expenses of the Escrow Agent incurred in connection herewith shall be the responsibility of Lessee in the amount of \$_____ for escrow services as described herein; plus any extraordinary expenses incurred by the Escrow Agent at the request of Lessor or Lessee, as set forth in **Schedule 1**.

7.

a. The Escrow Agent shall have no liability for acting upon any written instruction presented by Lessee and Lessor in connection with this Escrow Agreement which the Escrow Agent in good faith believes to be genuine. Furthermore, the Escrow Agent shall not be liable for any act or omission in connection with this Escrow Agreement except for its own gross negligence, willful misconduct or bad faith. The Escrow Agent shall not be liable for any loss or diminution in value of the Escrow Fund as a result of the investment decisions made pursuant to Section 4, at the written direction of Lessee. The Escrow Agent shall have only those duties and responsibilities as expressly set forth herein, and no other duty, obligation or covenant, fiduciary or otherwise, shall be implied or enforceable against the Escrow Agent by any person. The Escrow Agent may conclusively rely upon any notice, instruction, request or other instrument, not only as to its execution, validity and effectiveness, but also as to the trust and

accuracy of any information contained therein, which the Escrow Agent believes to be genuine and to have been signed or presented by the person purporting to sign the same.

b. Without limiting the effect of Section 7(a) hereof, the Escrow Agent shall have no obligation or liability to any other party hereto (or any person claiming through any of them): (i) to review, examine, enforce, administer or take notice of any agreement, instrument or document other than this Escrow Agreement; (ii) to determine whether any conditions precedent to a disbursement of moneys in the Escrow Fund, other than as set forth in Section 5, have been or will be satisfied or otherwise to investigate any notice received by the Escrow Agent hereunder; (iii) to evaluate or determine the validity or legality of any action or omission of any third party, including any federal or state bank regulator; (iv) to make any payment to the other parties or other payees set forth in written instructions received under Section 5 from any source other than moneys in the Escrow Fund, and no such payment shall be made if the amount of moneys on deposit in the Escrow Fund is inadequate; (v) to communicate with any person other than as expressly provided for in this Escrow Agreement; (vi) for any action or omission of the Escrow Agent taken or made upon the oral or written instructions of the parties hereto; (vii) for any other action or omission of, or for errors in judgment by, the Escrow Agent under or in connection with this Escrow Agreement taken or made in good faith and without gross negligence or willful misconduct; and (viii) for special, incidental, consequential, indirect or punitive damages in any event, even if the Escrow Agent has been advised or was otherwise aware of the likelihood of such loss or damages and regardless of the form of action.

c. If any portion of the Escrow Fund is at any time attached, garnished or levied upon, or otherwise subject to any writ, order, decree or process of any court, or in case disbursement of Escrow Fund is stayed or enjoined by any court order, the Escrow Agent is authorized, in its sole discretion, to respond as it deems appropriate or to comply with all writs, orders, decrees or process so entered or issued, whether with or without jurisdiction; and if the Escrow Agent relies upon or complies with any such writ, order, decree or process, it will not be liable to any of the parties hereto or to any other person or entity by reason of such compliance even if such order is reversed, modified, annulled, set aside or vacated.

8. To the extent permitted by law, Lessee hereby agrees to indemnify and save the Escrow Agent (including its directors, officers, employees, and affiliates) harmless against any losses, liabilities, costs, and expenses, including attorney fees and expenses which it may incur in the exercise and performance of its powers and duties hereunder (including those incurred in connection with successfully defending itself against any claim of gross negligence or willful misconduct and the enforcement of Lessee's obligations hereunder) and which are not due to the Escrow Agent's or Lessor's gross negligence or willful misconduct. No indemnification will be made under this Section or elsewhere in this Escrow Agreement for damages arising solely out of gross negligence or willful misconduct by the Escrow Agent (including its directors, officers, employees, and affiliates) or the Lessor, as finally adjudicated by a court of competent jurisdiction. Such indemnification shall survive the resignation or removal of the Escrow Agent and the termination of this Escrow Agreement.

9. The Escrow Agent may at any time resign by giving at least 30 days' prior written notice to Lessee and Lessor, but such resignation shall not take effect until the appointment of the successor Escrow Agent. The substitution of another bank or trust company to act as Escrow Agent under this Escrow Agreement may occur by written agreement of Lessor and Lessee. In addition, the Escrow Agent may be removed at any time, with 30 days' prior written notice, with or without cause, by instrument in writing executed by Lessor and Lessee. Such notice shall set forth the effective date of the removal. In the event of any resignation or removal of the Escrow Agent, a successor Escrow Agent shall be appointed by an instrument in writing executed by Lessor and Lessee. Such successor Escrow Agent shall indicate its acceptance of such appointment by an instrument in writing delivered to Lessor, Lessee and the predecessor Escrow Agent.

Upon the effective date of resignation or removal, the Escrow Agent will transfer the Escrow Fund then held by it to the successor Escrow Agent selected by Lessor and Lessee.

If the other parties are unable to agree upon a successor escrow agent within 30 days after such notice, the other parties hereby agree that either of them acting unilaterally shall apply to a court of competent jurisdiction for the appointment of a successor escrow agent or for other appropriate relief and

in the event the parties fail to do so, the Escrow Agent may so apply to a court of competent jurisdiction. The costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Escrow Agent in connection with such proceeding shall be paid in accordance with Section 6.

10. The Escrow Agent may consult with counsel of its own choice and shall have full and complete authorization and protection for actions taken in reliance upon the opinion of such counsel.

11. In the event of any dispute with respect to the Escrow Fund, the interpretation of this Escrow Agreement or the rights and obligations of the parties hereunder, or to the propriety of any action contemplated by the Escrow Agent hereunder, or if the Escrow Agent in good faith is in doubt as to what action should be taken hereunder, then in any such case the Escrow Agent shall not be obligated to resolve the dispute or disagreement or to make any disbursement of all or any portion of the Escrow Fund, but may commence an action in the nature of an interpleader and seek to deposit such funds with a court of competent jurisdiction, and thereby shall be discharged from any further duty or obligation with respect to the Escrow Fund. The costs of such interpleader action shall be borne by Lessee. In the event Lessee shall fail on demand to reimburse the Escrow Agent for such costs, then Lessee irrevocably authorizes the Escrow Agent to deduct any such amounts from the Escrow Fund without any further notice or demand to any person. The Escrow Agent may, in its sole discretion in lieu of filing such action in interpleader, elect to cease to perform under this Escrow Agreement and to ignore all instructions received in connection herewith until the Escrow Agent has received a written notice of resolution signed by the parties to such dispute or disagreement or an order of a court of competent jurisdiction over the matter directing a disposition of the Escrow Fund.

12. This Escrow Agreement and the Escrow Fund established hereunder shall terminate upon (a) receipt by the Escrow Agent of the written notice from Lessor specified in Section 5(d) or Section 5(e) hereof or (b) the Escrow Fund Termination Date. The Escrow Fund Termination Date may be extended pursuant to written agreement between Lessor and Lessee, and acknowledgement by the Escrow Agent.

13. All notices hereunder shall be in writing, sent by certified mail, return receipt requested, or by mutually recognized overnight carrier addressed to the other party at its respective address shown on page 1 of this Escrow Agreement or at such other address as such party shall from time to time designate in writing to the other parties; and shall be effective on the date of receipt. The Escrow Agent shall have the right to accept and act upon any notice, instruction, or other communication, including any funds transfer instruction (each, a "Notice") received pursuant to this Escrow Agreement by electronic transmission (including by e-mail, facsimile transmission, web portal or other electronic methods) and shall not have any duty to confirm that the person sending such Notice is, in fact, the person he or she purports to be. Electronic signatures believed by the Escrow Agent to comply with the ESIGN Act of 2000 or other applicable law (including electronic images of handwritten signatures and digital signatures provided by DocuSign, Orbit, Adobe Sign or any other digital signature provider identified by any other party hereto and acceptable to the Escrow Agent) shall be deemed original signatures for all purposes. Each other party to this Escrow Agreement assumes all risks arising out of its use of electronic signatures and electronic methods to send Notices to the Escrow Agent, including without limitation the risk of Escrow Agent acting on an unauthorized Notice and the risk of interception or misuse by third parties. Notwithstanding the foregoing, the Escrow Agent may in any instance and in its sole discretion require that a Notice in the form of an original document bearing a manual signature be delivered to the Escrow Agent in lieu of, or in addition to, any such electronic Notice.

14. This Escrow Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective successors and assigns. No rights or obligations of the Escrow Agent under this Escrow Agreement may be assigned without the prior written consent of Lessor and Lessee, and any assignment of this Escrow Agreement by Lessor or Lessee shall not be effective until the Escrow Agent has confirmed that such assignee has provided satisfactory information to the Escrow Agent to satisfy the requirements of the USA PATRIOT Act or any other legislation or regulation to which the Escrow Agent is subject. Notwithstanding the foregoing, any company into which the Escrow Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Escrow Agent may sell or transfer all or substantially all of its municipal corporate trust business, shall be the successor to such Escrow

Agent without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

15. Except as provided in the next sentence, this Escrow Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof, and no waiver, consent, modification or change of terms hereof shall bind any party unless in writing signed by all parties. This Escrow Agreement is in addition to any related account applications and other account opening and authorizing documents and/or resolutions on file with Escrow Agent and such documents are hereby incorporated by reference into this Escrow Agreement (the "Account Agreements"). In the event that there are inconsistencies between this Escrow Agreement and any other Account Agreement, the terms of this Escrow Agreement shall control.

16. The Escrow Agent may employ agents, attorneys and accountants in connection with its duties hereunder (such costs to be paid as set forth in Section 6) and shall not be liable for any action taken or omitted in good faith in accordance with the advice of counsel, accountants or other skilled persons.

17. This Escrow Agreement shall be governed by and be construed and interpreted in accordance with the internal laws of the State of Kansas (the "State").

18. This Escrow Agreement may be executed in several counterparts, and each counterpart so executed will be an original. In addition, the parties agree that the transaction described herein may be conducted and related documents may be received, sent or stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

19. TO THE EXTENT PERMITTED BY LAW, EACH OF THE PARTIES HERETO EXPRESSLY WAIVES THE RIGHT TO TRIAL BY JURY IN RESOLVING ANY CLAIM OR COUNTERCLAIM RELATING TO OR ARISING OUT OF THIS ESCROW AGREEMENT.

20. Lessee represents, warrants and covenants for the benefit of the Escrow Agent as follows:

a. Lessee is authorized under the constitution and laws of the State to enter into this Escrow Agreement and the transaction contemplated hereby and to perform all of its obligations hereunder.

b. Lessee has been duly authorized to execute and deliver this Escrow Agreement by proper action and approval of its governing body at a meeting duly called, regularly convened and attended throughout by a requisite majority of the members thereof or by other appropriate official approval.

c. This Escrow Agreement constitutes the legal, valid and binding obligation of Lessee enforceable in accordance with its terms, except to the extent limited by applicable bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally.

d. Lessee will comply with all applicable provisions of the Internal Revenue Code of 1986, as amended, including without limitation Sections 103 and 148 thereof, and the applicable regulations of the Treasury Department. No part of the Escrow Fund shall be invested at Lessee's discretion in any securities, obligations or other investments or used, at any time, directly or indirectly, in a manner which, if such use had been reasonably anticipated on the date of the execution and delivery of the Agreement, would have caused any portion of the Agreement to be or become "arbitrage bonds" within the meaning of Section 103(b)(2) or Section 148 of the Code and the applicable regulations of the Treasury Department.

21. The parties acknowledge that in order to help the United States government fight the funding of terrorism and money laundering activities, pursuant to Federal regulations that became effective on October 1, 2003 (Section 326 of the USA PATRIOT Act) all financial institutions are required to obtain, verify, record and update information that identifies each person establishing a relationship or opening an account. The parties to this Escrow Agreement agree that they will provide to the Escrow Agent such information as it may request, from time to time, in order for the Escrow Agent to satisfy the requirements

of the USA PATRIOT Act or any other legislation or regulation to which it is subject, including but not limited to the name, address, tax identification number and other information that will allow it to identify the individual or entity who is establishing the relationship or opening the account and may also ask for formation documents such as articles of incorporation or other identifying documents to be provided.

22. Except as otherwise agreed by the Escrow Agent in writing, the Escrow Agent has no tax reporting or withholding obligation except to the Internal Revenue Service with respect to Form 1099-B reporting on payments of gross proceeds under Internal Revenue Code Section 6045 and Form 1099 and Form 1042-S reporting with respect to investment income earned on the Escrow Fund, if any. Lessor and Lessee shall provide the Escrow Agent a properly completed IRS Form W-9 or Form W-8, as applicable, for each payee hereunder. If requested tax documentation is not so provided, the Escrow Agent is authorized to withhold taxes as required by the United States Internal Revenue Code and related regulations.

23. The Escrow Agent will not be responsible for delays or failures in performance resulting from acts of God, strikes, lockouts, riots, acts of war or terror, epidemics, governmental regulations, fire, communication line failures, computer viruses, attacks or intrusions, power failures, earthquakes or any other circumstance beyond its control.

24. Nothing in this Escrow Agreement, express or implied, is intended to or will confer upon any person other than the signatory parties hereto any right, benefit or remedy of any nature whatsoever under or by reason of this Escrow Agreement.

25. None of the terms or conditions of this Escrow Agreement may be changed, waived, modified, terminated or varied in any manner whatsoever unless in writing duly signed by each party to this Escrow Agreement.

[Signature page follows.]

IN WITNESS WHEREOF, the parties hereto have caused this Escrow Agreement to be duly executed as of the day and year first above set forth.
