I was asked several months ago by City Administrator Cyndra Kastens to look at the properties in Anthony to see if there were any properties that I thought might need to be inspected for dangerous structures. I made a list of several homes and a couple of businesses that I thought could be a dangerous structure and I sent the list to Mark Manville, which is with IBTS a company the city has hired to do inspections for the city. Mark later asked me to take pictures of the properties and send them to him, and he would contact me and set up a date for an inspector to come to inspect the properties. The list included the property at 501 S. Lincoln. The house has several broken windows and looks to be in poor condition, and the garage is falling over and has a large hole in the roof.

On 07/29/2025 I went with inspector Edythe Leslie to inspect the property located at 501 S. Lincoln.

The inspector will forward me her inspection report and copies of her photos as soon as she completes it.
