We arrested Bradan Salsberry on a warrant

We served a search warrant along with Harper P.D and the Sheriff's department on S. LL&G

We did a welfare check on S. Penn on a possible suicidal subject

We investigated one minor traffic accident

I went to the County Commissioners meeting along with the Sheriff's department to discuss the C.A.

We met with the C.A. after the commission meeting, and we are going to start having monthly meets with him like we use to before Covid

We had our first meeting with the C.A. and we discussed several items of concerns

We did a welfare check on an individual and with the help of Cyndra Kasten we had a positive outcome, which we might not have had without her help. She did a great job and should be commended for it.
