Long Range Plan amendment(s) _____

Reason(s) for dissenting vote:

My reasons are aligned with the Township staff analysis, and additional listed below:

- neighboring new construction community homes are on larger size lots ranging from 1/3 acre to 1/2 acre plus with 4,000 to 6,000 sf size homes. Both areas "northern" and "southern" sites should be low density.

- additional new developments will need to be thoughtfully designed with the neighboring Jordan Lake environmental conditions and possible effects of water quality.

- larger buffers for at open space areas, esp. game lands area. This is a very active hunting area. Trucks park at American Tobacco Trail parking lot specifically for hunting. Hunting is part of the county/state culture, we are chipping at this open space area, hence taking a piece of culture away.

- insufficient space in schools. White Oak Elementary school was capped in February 2020. Children are bused to Davis Dr. which is heavily maximized as well. This is a huge concern for everyone in the catchment.

- traffic on Castleberry Road, which is currently a busy road. The proposed would add more traffic on this local "no outlet" road.
