Yes

Item Details

This Agreement is required to receive federal funds reimbursement at an 80% federal/20% local cost match for up to \$1,344,000 in total expenses toward utility relocation and construction of approximately 2,065 linear feet of 5-foot concrete sidewalk along Saunders Street and Hinton Street as well as a short segment of sidewalk along W Chatham Street. Construction of sidewalk will include installation of approximately 1,285 feet of curb and gutter along the sidewalk. As typical for this type of agreement, if the total cost exceeds the estimated cost then additional local funds would be needed to cover that shortfall at 100%, unless supplemental federal funds can be allocated to the project subject to approval by the Executive Board of the Capital Area Metropolitan Planning Organization and NCDOT, in which case a minimum 50% local cost match would be required for supplemental funds.

Although an estimate of NCDOT staff review and inspections time has been factored into the overall cost estimate, and NCDOT will set aside \$134,400 (10% of estimated total budget) toward that expense, if NCDOT internal charges exceed available funds then Apex is responsible for reimbursement of 100% of those charges in excess of available funds. Additionally, per the Agreement: *The Municipality agrees to indemnify and hold harmless the Department, FHWA and the State of North Carolina, to the extent allowed by law, for any and all claim for payment, damages and/or liabilities of any nature, asserted against the*

Department in connection with this Project. The Department shall not be responsible for any damages or claims, which may be initiated by third parties.
