Approval Recommended?

Yes

Item Details

Apex has received multiple complaints about the ability of drivers to pass through Blazing Trail Drive due to off-site parking along the street by Apex Friendship High School students. GFL has also experienced difficulty for trash pickup and Apex Fire Department has determined the on-street parking activity in this location is a concern for emergency response. Staff has identified additional areas in the Parkside at Bella Casa subdivision where a restriction on Blazing Trail Drive may cause students to move and create additional issues. Therefore, those additional streets have been added to the request for parking restrictions as well. The HOA was notified of these requests and staff solicited responses for a 30-day period ending June 6th. The original request of a Monday through Friday 7:00 a.m. to 5:00 p.m. has since been amended to what has been presented in the requested motion to be consistent with what has been adopted in the vicinity of Apex High School. A map of the proposed restrictions and tally of community responses for or against the parking restrictions is attached.
