## Item Details

Presenter(s): Michael Deaton, P.E., Director

Department(s): Water Resources

### Requested Motion

Motion to approve a Master Services Agreement (MSA) between Cameron Testing Services, Inc. and the Town of Apex, effective July 1, 2024 through June 30, 2027, to perform required Total Coliform and E. Coli water quality texting on new development, and to authorize the Town Manager, or their designee, to execute on behalf of the Town.

### Approval Recommended?

Yes

### Item Details

The Town is required to perform Total Coliform/E. Coli water quality testing on any new development project that extends and/or makes connection to the Town's water distribution system. Cameron Testing Services, Inc., (Cameron) assists municipalities with meeting these needs by providing a 3<sup>rd</sup> party NC Certified lab analysis. Apex has enjoyed working with Cameron for over 20 years and is requesting to extend their services through a new 3-yr agreement.
