Keith McGee
Fire Chief
Town of Apex Fire Department
Apex, NC

Dear Chief McGee:

On behalf of the Commission on Professional Credentialing (CPC), I am writing to inform you that David Dague received the Fire Officer (FO) designation on July 9, 2019. Lieutenant Dague becomes one of only 473 FO designees worldwide.

The Designation program is a voluntary program designed to recognize individuals who demonstrate their excellence in seven measured components including experience, education, professional development, professional contributions, association membership, community involvement and technical competence. In addition, all applicants are required to identify a future professional development plan.

The FO designation program uses a comprehensive peer review model to evaluate candidates seeking the credential. The Commission on Professional Credentialing awards the designation only after an individual successfully meets all of the organization's stringent criteria.

Achieving this designation signifies Lieutenant Dague's commitment to his/her career in the fire and emergency services.

This professional designation is valid for three years. Maintaining the designation requires recipients to show continued growth in the areas of professional development, professional contributions, active association membership and community involvement as well as adhere to a strict code of professional conduct.

Please join us in congratulating Lieutenant Dague on this achievement.

For further information, please don't hesitate to contact me at dsobotka@cpse.org or 703-691-4620, ext. 202.

Sincerely,

Debbie Sobotka
Chief Operating Officer
