Rezoning #21CZ23 Scotts Ridge Office & Veterinary Hospital  
0 & 6633 Apex Barbecue Road

November 23, 2021 Town Council Meeting

### **PLANNING BOARD RECOMMENDATION:**

The Planning Board held a Public Hearing on November 8, 2021 and unanimously voted to recommend approval of the rezoning with the conditions offered by the applicant (applicant committed to offer buffer along southern boundary with final wording to be provided in writing for Town Council meeting).

### **PLANNING STAFF RECOMMENDATION:**

Planning staff recommends approval of Rezoning #21CZ23 with conditions offered by the applicant.

### **ANALYSIS STATEMENT OF THE REASONABLENESS OF THE PROPOSED REZONING:**

This Statement will address consistency with the Town's comprehensive and other applicable plans, reasonableness, and effect on public interest:

The 2045 Land Use Map designates the subject properties as Medium Density Residential. If the properties are rezoned as proposed, the 2045 LUM will automatically be amended to Commercial Services per NCGS 160D-605(a). The proposed amendment is reasonable as it is consistent with the surrounding uses.

Approval of the rezoning is reasonable and in the public interest because the proposed Neighborhood Business-Conditional Zoning (B1-CZ) district will allow for non-residential development that will serve the surrounding neighborhoods and will increase the tax base.

### **CONDITIONAL ZONING STANDARDS:**

The Town Council shall find the B1-CZ designation demonstrates compliance with the following standards.  
2.3.3.F:

#### **Legislative Considerations**

The applicant shall propose site-specific standards and conditions that take into account the following considerations, which are considerations that are relevant to the legislative determination of whether or not the proposed conditional zoning district rezoning request is in the public interest. These considerations do not exclude the legislative consideration of any other factor that is relevant to the public interest.

- 1) *Consistency with 2045 Land Use Map.* The proposed Conditional Zoning District use's appropriateness for its proposed location and consistency with the purposes, goals, objectives, and policies of the 2045 Land Use Map.
- 2) *Compatibility.* The proposed Conditional Zoning District use's appropriateness for its proposed location and compatibility with the character of surrounding land uses.
- 3) *Zoning district supplemental standards.* The proposed Conditional Zoning District use's compliance with Sec 4.4 *Supplemental Standards*, if applicable.

# Instruction Packet and Affidavit for Neighborhood Meetings

Town of Apex  
Dept of Planning and  
Community  
Development  
PO Box 250  
Apex, NC 27502

T: 919-249-3426  
F: 919-249-3338

This packet consists of instructions and templates for conducting a required Neighborhood Meeting. Planning staff are available to advise you in the preparation of these materials. Call the Department of Planning and Community Development at (919) 249-3426 for more information.

## WHAT IS THE PURPOSE OF A NEIGHBORHOOD MEETING?

A neighborhood meeting is a required form of community outreach to receive initial feedback regarding certain project types prior to submittal to the Department of Planning and Community Development per the standards found in UDO Sec. 2.2.7. The intention of the meeting is to initiate neighbor communication and identify issues and concerns early on and provide the applicant an opportunity to address neighbor concerns about the potential impacts of the project prior to submitting an application. A neighborhood meeting is valid for six (6) months prior to the submission of an application; a delay in submission requires a new neighborhood meeting.

## WHEN IS A NEIGHBORHOOD MEETING REQUIRED?

- Rezoning (including Planned Unit Developments);
- Major Site Plans;
- Residential Master Subdivision Plans (excluding exempt subdivisions); or
- Special Use Permits

## INSTRUCTIONS

Prior to submitting an application for a Rezoning, Major Site Plan, residential Master Subdivision Plan (excluding exempt subdivisions), or Special Use Permit, the applicant must conduct at least one (1) Neighborhood Meeting. This meeting may be held in-person or virtually. Virtual meetings shall provide a dial-in option in addition to a link to participate by internet. The applicant shall submit all forms included in this packet with the initial application submittal.

The Neighborhood Meeting must be held in accordance with the following rules:

### These groups and individuals must be invited to the meeting:

- The applicant is required to notify the Department of Planning and Community Development, all property owners and tenants abutting and within 300 feet of the subject property, and any neighborhood association that represents citizens in the notification area via first class mail a minimum of 14 days in advance of the neighborhood meeting, not including the day of mailing. The applicant shall send an email to [addressing.team@apexnc.org](mailto:addressing.team@apexnc.org) to request the notification list as early as possible in order to receive the list in time for the mailing. The list will be provided within 5-10 business days of the initial request. The applicant shall use their own return address on the envelopes as the meeting is a private meeting between the applicant and the neighbors.
- The applicant shall include with the meeting notice a vicinity map in addition to the materials listed under "Mailing and handout requirements" below.

**The meeting must be held within specific timeframes and meet certain requirements:**

- The meeting must be held for a minimum of two (2) hours, Monday through Thursday, during the 5:00 p.m. - 9:00 p.m. time period. The meeting cannot be held on Town recognized holidays (<https://www.apexnc.org/DocumentCenter/View/34245/>).
- In-person meetings:
  - Meeting shall be held at a place that is generally accessible to neighbors that reside in close proximity to the land subject to the application.
  - A sign-in sheet must be used in order to verify attendance. Ensure each attendee signs in. Please note if any person(s) refuses to sign in. Note if no one attended.
- Virtual meetings:
  - Meeting shall be held via an interactive online video conferencing software such as Microsoft Teams, Zoom, WebEx, or any similar platform of the applicant's choice. A dial-in option shall be provided.
  - An attendance sheet must be used to log known attendees at the virtual meeting. Note if no one attended.
- Mailing and handout requirements:
  - For rezonings (excluding rezonings to PUD-CZ, TND-CZ and MEC-CZ): a vicinity map and existing zoning map of the area must be provided to help facilitate discussion.
  - For rezonings to PUD-CZ, TND-CZ and MEC-CZ; Major Site Plans; residential Master Subdivision Plans; and Special Use Permits: a vicinity map and preliminary plans of the proposed development must be provided to help facilitate discussion. Neighbors may request emailed/mailed copies of the maps or plans from the applicant by checking the "send plans" box on the sign-in sheet; applicant shall provide reduced copies upon request. For virtual meetings, the applicant must ask meeting participants if they would like any materials mailed to them.
  - Printed copies must equal the number of notices required to be sent.
  - Contact information for the applicant's representative and Town Staff must be provided on the attached "Project Contact Information" form.
  - "Common Construction Issues & Who to Call" sheet (attached) must be included as part of the handout.
  - A copy of the handout must be included as part of the Neighborhood Meeting report.
- The agenda of the meeting shall include:
  - Explanation of all processes the meeting is being held for (rezoning, subdivision, etc.).
  - Explanation of future meetings (additional neighborhood meetings, Planning Board, Town Council, etc.).
  - Explanation of development proposal – uses and conditions for rezonings, layout for subdivision and site plans, and builder/end user if known/public knowledge.
- Questions or concerns by attendees, and responses by the applicant, if any, must be noted. For in person meetings, provide blank comment sheets or notecards for neighbors to submit written comments. For virtual meetings, copy all questions and answers entered into the meeting's chat feature before closing the meeting and save them into a document. The applicant shall also include any questions and concerns received via written correspondence (such as email) or phone call along with responses provided by the applicant.
- The applicant shall be responsible for notifying any neighbors who check the "Send Plans & Updates" box on the sign-in sheet of any additional neighborhood meetings and the actual submittal date to the Town with a link to the Town of Apex's Interactive Development Map.

**For accountability purposes, please submit the following with your application:**

- The affidavit, signed, dated, and notarized (use attached affidavit template); and
- One (1) reduced copy of the maps and/or plans presented to the neighbors at the Neighborhood Meeting.

### **Private Agreements and Easement Negotiation:**

The Town of Apex cannot enforce private agreements between developers and neighbors and is not a party to the easement and right-of-way negotiation that occurs between developers and neighboring property owners for easements or rights-of-way that are necessary to build the project.

It is recommended that all private agreements be made in writing and that if a property owner feels it necessary, they should obtain private legal counsel in order to protect their interests in both private agreements and during easement negotiations. The only conditions that the Town of Apex can enforce are those conditions that are made a part of the conditional zoning of the property by agreement of the developer and the Town.

As an example, if a developer offers to build a fence for a neighbor to mitigate some impact, the Town can only enforce the construction of the fence if the fence becomes a condition of the rezoning. This would occur by the developer offering the condition as part of their conditional zoning application package or at the Town Council public hearing on the conditional zoning and the Town accepting it as a condition. Private agreements regarding a fence being constructed will not be enforced by the Town.

To request that any agreement with a developer is made a part of the conditional zoning at the time of approval, you may ask at the Town Council public hearing if the agreement is included in the conditions. If it is not, you may request that the Town Council not approve the rezoning without the agreement being included in the conditions (note that it is up to Town Council whether to approve or deny the rezoning but they cannot impose conditions that the applicant does not agree to add). The developer's proposed conditions can be viewed any time after a rezoning is submitted on the Interactive Development Map at: <http://apexnc.maps.arcgis.com/apps/OnePane/basicviewer/index.html?appid=fa9ba2017b784030b15ef4da27d9e795>

### **Documentation:**

Neighbors to a requested new development and/or rezoning are strongly encouraged to fully document (such as through dated photographs) the condition of their property before any work is initiated for the new development. Stormwater controls installed on developed property are not designed to and will likely not remove 100% of the soil particles transported by stormwater runoff. As a result, creeks and ponds could become cloudy for a period of time after rain events.

# COMMON CONSTRUCTION ISSUES & WHO TO CALL

This document is a public record under the North Carolina Public Records Act and may be published on the Town's website or disclosed to third parties.

<b>Noise &amp; Hours of Construction:</b>	<b>Non-Emergency Police</b>	<b>919-362-8661</b>
---	-----------------------------	---------------------

Noise from tree removal, grading, excavating, paving, and building structures is a routine part of the construction process. The Town generally limits construction hours from 7:00 a.m. to 8:30 p.m. so that there are quiet times even during the construction process. Note that construction outside of these hours is allowed with special permission from the Town when it makes more sense to have the construction occur at night, often to avoid traffic issues. In addition, the Town limits hours of blasting rock to Monday through Friday from 8:00 a.m. to 5:00 p.m. Report violations of construction hours and other noise complaints to the Non-Emergency Police phone number at 919-362-8661.

<b>Construction Traffic:</b>	<b>James Misciagno</b>	<b>919-372-7470</b>
------------------------------	------------------------	---------------------

Construction truck traffic will be heavy throughout the development process, including but not limited to removal of trees from site, loads of dirt coming in and/or out of the site, construction materials such as brick and wood brought to the site, asphalt and concrete trucks come in to pave, etc. The Town requires a construction entrance that is graveled to try to prevent as much dirt from leaving the site as possible. If dirt does get into the road, the Town can require they clean the street (see "Dirt in the Road" below).

<b>Road Damage &amp; Traffic Control:</b>	<b>Water Resources – Infrastructure Inspections</b>	<b>919-362-8166</b>
---	---	---------------------

There can be issues with roadway damage, roadway improvements, and traffic control. Potholes, rutting, inadequate lanes/signing/stripping, poor traffic control, blocked sidewalks/paths are all common issues that should be reported to Water Resources – Infrastructure Inspections at 919-249-3427. The Town will get NCDOT involved if needed.

<b>Parking Violations:</b>	<b>Non-Emergency Police</b>	<b>919-362-8661</b>
----------------------------	-----------------------------	---------------------

Unless a neighbor gives permission, there should be no construction parking in neighbors' driveways or on their property. Note that parking in the right-of-way is allowed, but Town regulations prohibit parking within 15 feet of driveways so as not to block sight triangles. Trespassing and parking complaints should be reported to the Non-Emergency Police phone number at 919-362-8661.

<b>Dirt in the Road:</b>	<b>James Misciagno</b>	<b>919-372-7470</b>
--------------------------	------------------------	---------------------

Sediment (dirt) and mud gets into the existing roads due to rain events and/or vehicle traffic. These incidents should be reported to James Misciagno. He will coordinate the cleaning of the roadways with the developer.

<b>Dirt on Properties or in Streams:</b>	<b>James Misciagno</b> <b>Danny Smith</b>	<b>919-372-7470</b> <b><a href="mailto:Danny.Smith@ncdenr.gov">Danny.Smith@ncdenr.gov</a></b>
--	--	--

Sediment (dirt) can leave the site and get onto adjacent properties or into streams and stream buffers; it is typically transported off-site by rain events. These incidents should be reported to James Misciagno at 919-372-7470 so that he can coordinate the appropriate repairs with the developer. Impacts to the streams and stream buffers should also be reported to Danny Smith ([danny.smith@ncdenr.gov](mailto:danny.smith@ncdenr.gov)) with the State.

<b>Dust:</b>	<b>James Misciagno</b>	<b>919-372-7470</b>
--------------	------------------------	---------------------

During dry weather dust often becomes a problem blowing into existing neighborhoods or roadways. These incidents should be reported to James Misciagno at 919-372-7470 so that he can coordinate the use of water trucks onsite with the grading contractor to help control the dust.

<b>Trash:</b>	<b>James Misciagno</b>	<b>919-372-7470</b>
---------------	------------------------	---------------------

Excessive garbage and construction debris can blow around on a site or even off of the site. These incidents should be reported to James Misciagno at 919-372-7470. He will coordinate the cleanup and trash collection with the developer/home builder.

<b>Temporary Sediment Basins:</b>	<b>James Misciagno</b>	<b>919-372-7470</b>
-----------------------------------	------------------------	---------------------

Temporary sediment basins during construction (prior to the conversion to the final stormwater pond) are often quite unattractive. Concerns should be reported to James Misciagno at 919-372-7470 so that he can coordinate the cleaning and/or mowing of the slopes and bottom of the pond with the developer.

<b>Stormwater Control Measures:</b>	<b>Jessica Bolin</b>	<b>919-249-3537</b>
-------------------------------------	----------------------	---------------------

Post-construction concerns related to Stormwater Control Measures (typically a stormwater pond) such as conversion and long-term maintenance should be reported to Jessica Bolin at 919-249-3537.

<b>Electric Utility Installation:</b>	<b>Rodney Smith</b>	<b>919-249-3342</b>
---------------------------------------	---------------------	---------------------

Concerns with electric utility installation can be addressed by the Apex Electric Utilities Department. Contact Rodney Smith at 919-249-3342.

**Scott's Ridge Office & Veterinary Hospital**  
**Rezoning Neighborhood Meeting**  
**5:30 pm August 30, 2021**

The ZOOM meeting for the Scott's Ridge Office & Veterinary Hospital began at 5:30 pm and was hosted by Jeff Roach with Peak Engineering & Design. A brief introduction was made for the people on the call, the participants were directed to the CHAT BOX function in ZOOM to type questions, and the virtual meeting protocol was discussed to keep the meeting moving along smoothly.

A project introduction was then provided, the location within Wake County GIS' website was shared for all to see. After the location of the property was identified for everyone on the call, we walked through the existing site conditions, the existing zoning, the purpose of the 2045 Land Use Plan, the current sketch plan showing a possible location for the non-residential building and parking areas. Everyone was informed that the sketch plan is not a final design for the site and is used to show buffers, access points, , and other site-specific items for the property. Following a discussion related to the above items, the list of permitted uses was shown related to the non-residential zoning for the property. The discussion centered around the location of the new building located between driveways to Scott's Ridge Elementary School.

Below are the questions as well as a summary of the answer that was provided with each question. Additional questions were voiced by the adjacent property owners and were answered to the best of our knowledge at this point.

After answering questions from the neighbors on the call, the adjacent property owners dropped off the call around 7:10 pm and the ZOOM meeting was terminated around 7:30 pm.

Below is a summary of the questions and discussions which were had. There were discussions which were had, many of them answering multiple questions or bringing up additional questions. This summary tries to highlight the presentation and discussions as accurately as possible.

**Following are questions asked after the presentation and/or during the review of the above “CHAT BOX” questions.**

1. What is the plan for lighting on the property?  
*To protect surrounding properties, house side shields will be provided on all lighting. There are also conditions from the Environmental Advisory Board (EAB) to reduce lighting spillover as well as color at or below 3,000 K. This will be coordinated with the Town of Apex and lighting design team.*
2. What are the uses which are being proposed?  
*The list of uses was shown to the attendees. The B1 non-residential zoning district is a wide range of uses. We have removed businesses which would not fit within this location (specifically the microbrewery).*
3. What is the timing of the business?  
*Typical Vet hours are 7:00 am – 7:00 pm but that fluctuates. The Vet Hospital hours was also discussed that they are required to have “overnight hours” or provide a reference to overnight emergency care facilities. Any other business at this location would follow normal business hours for that specific use (no adult businesses are proposed at this site).*
4. Will landscaping being installed on the site? What around a fence along Apex Barbecue Road?  
*Perimeter landscaping and buffers will be installed along all sides of the property abutting Scott’s Ridge Elementary Schools as well as the frontage along Apex Barbecue Road.*
5. Does the veterinarian have cremation services on-site?  
*They do not have cremation services onsite.*
6. What is the access onto Apex Barbecue Road and how does that conflict with the Scott’s Ridge Elementary School?  
*A right-in/right-out onto Apex Barbecue Road is proposed as part of the development. This restriction avoids conflict with school traffic.*
7. Will the sign be a blinking neon sign?  
*The sign will NOT be a blinking neon sign. The UDO controls the type of sign and we referenced other commercial/office buildings in the area which are reasonable expectations of what the UDO would permit.*

The timing of the project was also discussed with a typical zoning taking ~3-1/2 months; engineering designs taking ~ 6 months; and site/building construction taking 12 months.

After the timing discussion, various other sites in and around Apex were discussed, and the neighbors left the call. No changes have been made to the zoning application based upon the neighborhood meeting on August 30, 2021.
