Item Details

Design of bus stops to serve the GoApex Route 1 bus route is currently in progress with anticipated construction in 2021. TM-0026 has been approved in the NCDOT Locally Administered Projects Program (LAPP) to receive federal funds toward reimbursement of construction activities for these bus stops.

This agreement provides for reimbursement of up to 70% of eligible construction costs based on an estimate of \$610,000, for a total of up to \$427,000 in reimbursement. NCDOT staff time for review and inspections will reduce the total amount of funding available under the agreement for reimbursement as typical for this type of agreement. However, contingencies were assumed in the project application intended to offset the impact of NCDOT staff time on eligible reimbursement. In addition, Apex entered into a Capital Funding Agreement with GoTriangle and CAMPO in the amount of \$207,000 in October 2020 to obtain the local share of funds toward this project.
