Item Details

A key goal of the Apex Downtown Master Plan is to work with local and regional artists to implement public art projects along Salem Street that honor its history and vision for the future, and is where one of the stops proposed for art is located.

The crosswalk across N. Salem Street at its intersection with Center Street is NCDOT right of way and NCDOT provides an opportunity for the installation of public art in the local rights of way following the NCDOT Public Art in the Right of Way Policy and Encroachment Permit process.

Town staff hosted an online feedback survey about the possible design for this location, and with 118 survey participants, the public feedback received from this survey will be used to inform the Apex Public Art Committee on the proposed design. The project details will be provided to NCDOT for review before final selections and installations take place to ensure they meet the NCDOT Public Art in the Right of Way Policy guidelines and Encroachment Permit Requirements.
