considered that the proposed rezoning to Planned Unit Development-Conditional Zoning (PUD-CZ) will maintain the character and appearance of the area and provide the flexibility to accommodate the growth in population, economy, and infrastructure consistent with that contemplated by the 2045 Land Use Map.

The Apex Town Council finds that the approval of the rezoning is reasonable and in the public interest in that the amendment will make the already built homes conforming to the PUD architectural standards and allow design flexibility for future single-family homes in the subdivision. The rezoning will encourage compatible development of the property and increase the tax base.
