Item Details

The Apex Farmers Market and ADBA created a drive-thru farmers' market along Seaboard Street for the Feed Apex program and operated this successfully on May 2nd and 9th. The Farmers' Market created an online store where customers can pre-order their items for pick-up. Then on Saturday mornings between 9:00am-1:00pm customers are able to drive-up and pick-up their orders from vendors in a contact free transaction. This new drive-thru is in place of the typical Apex Farmer's Market on the dates noted. Additional dates may be added should current COVID-19 restrictions limit the full market's return.
