

| Agenda Item | cover sheet

for consideration by the Apex Town Council

Item Type: CONSENT AGENDA

Meeting Date: April 13,2021

Item Details

Presenter(s): Michael Deaton, Water Resources Director

Department(s): Water Resources

Requested Motion

Motion to award a water main construction contract to JSmith Civil, LLC and authorization for the Town Manager to execute the contract on behalf of the Town.

Approval Recommended?

Yes

Item Details

The town received four bids for the Western Transmission Water Main Project on March 11, 2021. JSmith Civil, LLC of Pikeville, North Carolina, was the low bidder with a total bid price of \$1,460,787.80. Budget is approximately \$2M, which matched the engineer's estimate, bids came in well under budget.

The Town's Water Resources Department recommends awarding the contract to JSmith Civil, LLC.

This is a CIP for a 24" water line along Kelly Road that allows the Town's water tanks to fill and cycle more effectively by providing a large diameter pipe connection directly from our interconnection with Cary to the Tingen Tank. The final phase of the project is included in FY 21-22.
