

Item Type: CONSENT AGENDA

Meeting Date: December 17, 2019

## Item Details

Presenter(s): Marty Stone, Assistant Town Manager

Department(s): Administration

### Requested Motion

Motion to adopt a Resolution to "Abandon portions of Existing Public Utility Easements" as shown on its attached plat

### Approval Recommended?

The Planning Department recommends approval.

### Item Details

The developer has determined that corrections to the Center Street Station Plat are necessary due to the actual construction not matching the recorded plat on certain lots. The additions for new easement areas are sufficiently dedicated through the recording of the new plat at the Wake County Register of Deeds. Abandonment of easement areas previously dedicated by plat require a resolution passed by Town Council to effectively abandon them.
