### Item Details

Apex Cougars Pop Warner PeeWee football team repeated as the CFF Conference Champion on October 26, 2019 and the Mid-South Regional Champion on November 30, 2019; making them the best PeeWee football team in North Carolina, South Carolina, and Virginia. This team is special in the sense that it only returned one player from last year and was able to be back to back champions.

This effort and team unity represented our community well. Therefore, all members should be recognized. The team is coached by Clint Rogers, a native of Apex who volunteers a lot of his time to provide mentorship to many of our youth in the community through recreational football.
