

| Agenda Item | cover sheet

for consideration by the Apex Town Council

Item Type: CONSENT AGENDA

Meeting Date: 12-17-2019

Item Details

Presenter(s): Russell H. Dalton, PE, Senior Transportation Engineer

Department(s): Public Works & Transportation, Police, and Fire

Requested Motion

Motion to approve an Ordinance amending Section 20-164 with the addition of subsection (36) to enforce a No Parking restriction along the south side of Olive Street from S Elm Street to S Hughes Street.

Approval Recommended?

Yes

Item Details

PW&T Transportation staff were contacted by Apex United Methodist Church concerning parking along Olive Street adjacent to the church office and across the street from the church. During peak times when vehicles are parked along both sides of the street it is difficult for one vehicle to pass between and not possible to maintain two way traffic. The church representative requested parking be allowed only along the north side of the street, in which case the Town would need an ordinance to post No Parking on the south side. Apex Police and Apex Fire are in favor of this request based on observations. The request and staff input is provided as part of this agenda item. Staff recommend the posting of three (3) signs as shown in the attached map in order to enforce the proposed ordinance.

Attachments

- Ordinance 20-164(36)
- Map of proposed "No Parking" zone and signs
- Request from Apex UMC with input from APD and AFD
