Town and Contractor may collectively be referred to as "Parties" hereinafter.

WITNESSETH:

WHEREAS, Town, is engaged in the operation of water and sewer utilities including pipes, drains, facilities and associated equipment, which from time to time requires maintenance, repair, installation, removal testing, and inspection as well as other projects related to wastewater treatment and soil and erosion control; and

WHEREAS, the professional services of outside firms or consultants and/or others will from time to time in the future be needed by the Town for the services as described above; and

WHEREAS, Contractor provides professional services of the nature required by the Town and employs trained and experienced technical personnel possessing adequate knowledge, skills, and experience to provide such professional services to the Town; and

WHEREAS, the Parties contemplate that the services of the Contractor will be performed in various stages in accordance with separate authorizations to be issued by the Town, and the Parties desire to set forth the basic terms of their agreement in this Master Services Agreement rather than in the separate authorizations issued by the Town; and

WHEREAS, the Parties acknowledge and agree that this Agreement shall act as a base agreement under which the Parties can enter into multiple specific transactions by executing a Purchase Order and written confirmation to proceed pursuant to a Scope of Services and/or rate sheet; and

WHEREAS, the Parties agree that this Agreement is non-exclusive and does not require or commit the Contractor to being available to perform services until a Scope of Services is submitted, and does not preclude the Town from hiring other vendors or contractors to perform the same or similar work.

NOW THEREFORE, in consideration of the foregoing recitals, and the premises and mutual covenants herein contained, the receipt and adequacy of which is hereby acknowledged, the Parties, intending to be legally bound, hereto do contract and agree as follows:

5. INDEMNIFICATION.

To the extent permitted by law, the Contractor agrees to defend, pay on behalf of, indemnify, and hold harmless the Town of Apex, its elected and appointed officials, employees, agents, and volunteers against any and all claims, demands, suits or losses, including all costs connected therewith, for any damages which may be asserted, claimed or recovered against or from the Town of Apex its elected or appointed officials, employees, agents, and volunteers by reason of personal injury, including bodily injury or death and/or property damage, including loss of use thereof resulting from the negligence of the Contractor.

6. APPLICABILITY OF LAWS AND REGULATIONS.

The Contractor shall adhere to all laws, ordinances, and regulations of the United States, the State of North Carolina, the County of Wake, and the Town of Apex in the performance of the services outlined in this contract and any attached specifications. 8. QUALITY AND WORKMANSHIP.

All work shall be performed to the satisfaction of the Town. The work shall not be considered complete nor applicable payments rendered until the Town is satisfied with the services provided. Contractor shall provide services in accordance with all federal, state and local law and in accordance with all governing agency regulations and shall be held to the same standard and shall exercise the same degree of care, skill and judgment in the performance of services for the Town as is ordinarily provided by a similar professional under the same or similar circumstances at the time in North Carolina.

9. INSURANCE.

The Contractor shall maintain valid general liability insurance in the minimum amount of \$1,000,000, commercial automobile liability insurance in the minimum amount of \$2,000,000, and provide certificates of such insurance naming the Town of Apex as an *additional insured* by endorsement to the policies. If the policy has a blanket additional insured provision, the contractor's insurance shall be primary and non-contributory to other insurance. Additionally, the contractor shall maintain and show proof of workers' compensation and employer's liability insurance in the minimum amount of \$1,000,000. The Contractor shall provide notice of cancellation, non-renewal or material change in coverage to the Town of Apex within 10 days of their receipt of notice from the insurance company.

All required certificates of insurance, endorsements, and blanket additional insured policy provisions are attached and considered part of this document. Notwithstanding the foregoing, neither the requirement of Contractor to have sufficient insurance nor the requirement that Town is named as an additional insured, shall constitute waiver of the Town's governmental immunity in any respect, under North Carolina law.

10. PRE-PROJECT SAFETY REVIEW MEETING.

If requested by the Town, the Contractor shall attend a pre-project safety review meeting with the contacting Department Head and Supervisors and Safety and Risk Manager prior to the start of work.
