Motion to approve a Review and Oversight Agreement with NCDOT for design review and project oversight activities for project BL-0095, Saunders St and Hinton St Sidewalk, requiring payment of a \$10,000.00 deposit, and to authorize the Town Manager to execute the agreement on behalf of the Town.

Approval Recommended?

Yes

Item Details

BL-0095, Saunders St and Hinton St Sidewalk, consists of construction of 100 feet of sidewalk extension eastward along the north side of W Chatham St to the northwest corner of Saunders St, sidewalk along the south side of Saunders St from W Chatham St to the western driveway of the Apex Police parking lot, and sidewalk along the west side of Hinton St from Saunders St to Hunter St.

Approval of the Review and Oversight Agreement is required for NCDOT to begin design review and project oversight activities of the Town's project in order to meet federal and state requirements for securing the federal cost reimbursement toward construction costs as provided under separate agreement. NCDOT requires the Review and Oversight Agreement in order to charge internal staff time during preliminary engineering phase. A \$10,000.00 deposit is due upon delivery of the signed agreement to NCDOT. Once construction phase activities are authorized by NCDOT following approval of preliminary engineering and right-of-way phases, NCDOT can begin charging staff review and inspections time under the construction funding reimbursement agreement.
