Public Art Master Plan Update

- Creating a 10-year Public Art Master Plan to guide investment, programming, and policy lead by Cultural Planning Group (CPG)
- CPG conducted stakeholder engagement from May-August 2026, including interviews, working sessions, on-site visits, and a town-wide online survey.
- CPG is in the process of writing up their executive summary prior to additional stakeholder meetings.
- Tentative proposal to Council in October/November 2026.
