

| Agenda Item | cover sheet

for consideration by the Apex Town Council

Item Type: CONSENT AGENDA

Meeting Date: September 22, 2026

Item Details

Presenter(s): Brandon Roberson, Solid Waste Manager

Department(s): Public Works

Requested Motion

Motion to approve a Memorandum of Agreement (MOU) between Central Pines Regional Council and Town of Apex, for the Town's continued participation in the Triangle Region Solid Waste Consortium, effective through June 30, 2027, and authorize the Town Manager, or their designee, to execute on behalf of the Town.

Approval Recommended?

Yes

Item Details

The Town of Apex participates in the Triangle Region Solid Waste Consortium, which is administered by Central Pines Regional Council. The Consortium provides a regional forum for participating local governments to collaborate on solid waste collection and disposal, recycling, biosolids, composting, yard waste, household hazardous waste, and other solid waste-related initiatives. Central Pines Regional Council also provides staff support, technical assistance, analysis, regional outreach and education, and assistance with developing and administering interlocal agreements and joint contracts on behalf of Consortium members.

The proposed Memorandum of Agreement continues the Town's participation in the Consortium for Fiscal Year 2027 through June 30, 2027. For FY27, membership fees will continue to be calculated using the \$1,500 base fee and each participating member's 2022 American Community Survey 5-Year population estimate, consistent with the Consortium's commitment that membership dues will not increase for FY27.

Beginning in FY28, membership fees will be calculated annually using a \$1,500 base fee plus the most recent available American Community Survey 5-Year population estimate at a rate of \$0.0089 per capita.
