Additional Pricing Details

FOR SHORT-TERM TRAFFIC CONTROL INCLUDING BUT NOT LIMITED TO:

- Flagging operations, lane closures, shifting patterns
- High-speed applications, short-term operations, and special events

INCLUDED COSTS FOR WORK ZONE PROTECTION CREW (WZPC):

- Flagger Force truck with all stop/slow paddles, state-standard signs, stands, and cones
- Liability insurance covering our scope of work
- Additional/alternative signage available upon 24-hour advance request

Rates are effective **January 01 - December 31, 2025**

Rates are applicable for planned work orders (*where work is scheduled a minimum of **eight (8)** business hours in advance of the work start time*) and where no wage rates are required (*non-prevailing wage projects*).

OVERTIME:

Overtime rates are calculated at 1.5 times the regular billing rate and are billed for all hours in excess of **eight (8)** hours a day

NIGHTTIME, WEEKEND, HOLIDAY, AND EMERGENCY WORK:

All orders for nighttime, holiday, weekend or emergency work will be billed at overtime rates.

- Any order starting between the hours of 3:00 p.m. and 5:00 a.m. will be classified as nighttime work.
- Any order with a start time less than **eight (8)** hours after the order was placed.
- Any order placed after 7:00 PM for the next business day.
- Any order placed after 7:00 P.M. on Friday for work beginning the following Monday.

DOUBLE TIME:

Double time rates are calculated at two times the regular billing rate. When a job falls under nighttime/holiday/weekend work and it has a start time less than **eight (8)** hours after the order was called in, or the order was placed after 7:00 p.m. for the next day, all hours on the job will be billed at double time rates.

MINIMUM CHARGES:

In addition to any applicable equipment charges, it is Flagger Force's policy to bill a minimum of **six (6)** hours per crew member per day of scheduled work within our Core service area; **eight (8)** hours per crew member per day of scheduled work within our Non-Core service area; and **eight (8)** hours per crew member per day of scheduled work within our Mobilization service area.

CANCELLATIONS:

Cancellation and order change decisions must be communicated to our operations team no later than **four (4)** hours prior to start time for jobs in our Core service area, **six (6)** hours prior to start time for jobs in our Non-Core service area, and **eight (8)** hours prior to start time in our Mobilization service area. If a job is not canceled or changed with sufficient notice, please refer to the cancellation charges. Please call the Operations Service Center available 24/7/365 with any questions: **888.312.3524**.

Additional Pricing Details

OFFICIAL FLAGGER FORCE HOLIDAYS INCLUDE:

- New Year's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

TIME SHEET AUTHORIZATION AND CHANGE ORDERS AUTHORIZATION:

Pursuant to work orders that you will place with Flagger Force (each a "Work Order") and according to rates provided by Flagger Force in a price quotation sheet (each a "Quotation"), Flagger Force will pay our employees weekly for hours worked as submitted on time records approved by your authorized representative, which constitutes verification that the recorded time is accurate and billable.

Police Procurement: If uniformed law enforcement is required by the Department of Transportation or any other government entity, Flagger Force will arrange procurement and scheduling. The cost of procurement charged by the agency plus a 20% fee will be invoiced. Flagger Force must be notified seven business days before the start date to allow ample time for procurement scheduling. All pass-through costs, including cancellation fees, will be invoiced with administrative fees.

SAFETY REMINDERS:

We would like to remind all our partners that we are a Safety-Driven® organization, which means we put safety before all else to ensure everyone arrives home safe at the end of the day. Please keep in mind when placing your order that:

- When the services require that the client set up the work zone, the client shall do so pursuant to temporary traffic control standards to ensure the safety of all workers and the public.
- The client shall be responsible for all safety precautions taken in the work area according to industry standards.
- The client shall adhere to all lighting standards as required by law, when applicable.
- The client shall ensure that there are always enough qualified personnel at the work site, including allowances for worker breaks as required by law or necessary for personal reasons.

BACK CHARGES:

Under no circumstances, whether based upon contract, tort (including negligence), strict liability, or otherwise, and whether arising before or after completion of the services, shall Flagger Force, LLC be liable to the client (or any party for whom client is facilitating the provision of the services) for losses or damages caused by the unavailability of the facilities upon which the services are being provided, or for incidental, consequential, or delay damages including, but not limited to, loss of use, profits, revenue, or inventory, or claims of third parties, or special or penal damages of any nature caused by any unusual conditions, unforeseen delay, and/or amendments or modifications agreed to by the parties or third parties.

Additional Pricing Details

Traffic Control Plans **\$167.50 / Hour**

Two hour minimum per plan. Can be used for permitting and other planning needs.

Note: *Not considered engineered drawings.*

All traffic control plans will be subject to review and possible editing, including a renewed pre-construction meeting at the physical job location, six (6) months following the date of issuance. All are subject to review and/or revision including subsequent charges regarding any changes to existing state traffic control regulation, regardless of date of issuance. This is to be identified at time of order placement.

To request a traffic control plan, please contact: traffic.plans@flaggerforce.com.

Traffic Control Plan Review **\$56.00 / Hour**

Note: *Includes all client provided traffic plans. Also, Flagger Force Traffic Control Plans six (6) months or older.*

Traffic Control Plan Revisions **\$85.00 / .5 Hour**

Note: *This review fee will be waived if any revisions.*

ADDITIONAL NOTES:

Unique or custom signage is subject to availability at rental/purchase cost as charged by our vendors, plus a \$100 administrative fee and 15%. Two week's minimum advance notice is required.

Complex Work Zone projects consisting of, but not limited to: five (5) or more leads and/or two (2) or more large vehicles (*truck-mounted attenuators*) and/or two (2) or more Portable Changeable Message Boards. Complex Work Zones require a deposit of 25% of the project's total estimate will be required at the time of order placement. Deposit(s) will be applied to the final invoice if an order is completed as originally scheduled or if it is rescheduled and completed within **six (6)** months from the original order date. Deposit(s) will not be refunded or applied to reschedule work for any order canceled in less than the required 48 business hours.

Cancellation or order changes for a Complex Work Zone must be communicated to the Operations Services Center **48 business hours before the start time.**

How to Place Your Order

Placing an order is easy!

Online: FlaggerForce.com/Orders

Email: Orders@FlaggerForce.com

Phone: 888.312.3524

Our team is available to support your needs 24/7/365.

Questions about your order?

Our Operations Services Center is always available.

Have questions about work zones?

Need to know the status of your crew?

Do you need to cancel your order?

Important Reminders When Placing Your Order

- We recommend placing your orders at least **72 hours** in advance with any appropriate **work order** or **job number** details.
- Emergency orders can be placed **24/7/365** in real time via a phone call to our Operations Service Center.
- Place your order for the **duration of the job** and consider potential rain delays or adjustments in your schedule.
- To ensure a successful and safe day, all our jobs start with pre-job briefs between our crew and yours. Please **build at least 15 minutes into the start time** to discuss important topics, such as the traffic plan, scope of work, and break/relief times with our crew.
