Yes

Item Details

Town of Apex is in acquisition phase for right of way required to install a traffic signal, for which NCDOT has approved the design, at the intersection of Old US 1 and Friendship Rd/Holland Rd. Apex has already entered into a separate agreement with Beazer Homes to reimburse a portion of the road widening for turn lanes being constructed by the developer at this location. This reimbursement agreement provides for Holly Springs to reimburse Apex the total sum of \$150,253.00 upon completion of the roadway and traffic signal projects.

On Tuesday, December 2, 2025, the Holly Springs Town Council unanimously approved this agreement.
