### NOTES

1. Regular Hours: Monday – Friday for the first (8) eight hours between 6:00am to 6:00pm.
2. Overtime Hours: For any hours worked after (8) eight hours in a day or between 6:00pm and 6:00am, over forty hours per week, weekends, emergencies or holidays.
3. Emergency service will be mobilized within 4 hours of the call and OT rates will apply. If out of town work (greater than 1.5 hours away), an estimated arrival time will be given at time request is received.
4. A four-hour minimum charge per flagger/traffic control technician applies for any dispatch. A twelve-hour notice prior to start time is required for any job cancellation or the four hour minimum charge will apply. RoadSafe payment terms are NET 30.
5. CANCELLATION A four-hour minimum charge per flagger/traffic control tech will be charged if canceled within 12 hrs. of scheduled start time.
6. Any equipment needed to perform closures will be billed using our standard daily rates referenced above.
7. Customer will be responsible for parking fees, hotels, ferry fees, tolls or similar charges if the location of the job requires unavoidable.
8. All hourly labor rates listed above are non-union, non-prevailing wage rates. RoadSafe has ability to price PW rates if/when necessary.
9. All rates assume a standard lane closure or flagging closure. RoadSafe will quote additional closures as needed/requested.
10. Port to port to be billed at the hourly rates.
11. For out of town work (more than 1.5 hours from our closest location) will require advanced mobilization to be billed at \$50.00/hr. per
12. This price list is valid until 12/31/2026. A 4% escalated will be added to each item for each additional year.
