

# Agenda Item | **cover sheet**

for consideration by the Apex Town Council

Item Type: CONSENT AGENDA  
Meeting Date: December 09, 2025

## Item Details

Presenter(s): Jonathan Jacobs, P.E., Director

Department(s): Water Resources

### Requested Motion

Motion to approve a Master Services Agreement between Southern Grounds Control, Inc., and the Town of Apex, effective December 9, 2025 through September 30, 2027, to perform general stormwater services and emergency on-call services for stormwater utilities including pipes, drains, facilities and associated equipment repair, replacement, or installation and to authorize the Town Manager, or their designee, to execute on behalf of the Town.

### Approval Recommended?

Yes

### Item Details

Upon request, Southern Grounds Control, Inc. will provide all labor, materials, and equipment necessary to repair sinkholes caused by storm water deficiencies, clean out streams clogged with debris, repair broken storm drain boxes/pipes, add additional inlets/boxes, general storm water repairs, dissipators, diversion ditches, and perform emergency on-call services. Contractor will provide a quote and scope of service at the time of request for service by the Town.
