Background Information

Current Employer

Loureiro Engineering Associates

Current Job Title

Senior Vice President

Tell us why you would like to serve? \*

I have lived in Apex since 2015 and have enjoyed raising my children here, coaching local sports teams and seeing the area grow. I also opened a local office for an Engineering firm that focuses on Environmental Engineering and Brownfields redevelopment. I have a passion for the environment and significant skills associated with engineering development and redevelopment and would love to serve the community through providing my skills to support the responsible continued development of the area.

Please list any education, special skills, or experience you have that would be useful while considering this form. \*

Environmental Engineering (PE) Mechanical Engineering (BS) 20+ Years of experience in Environmental Site Assessment and Remediation Extensive understanding of environmental regulations Extensive experience running a business in the area Local experience coaching sports and working with people in the community

If you now serve, or have previously served on any town boards, commissions or committees, please list the committees and dates served. \*
