

WATER RESOURCES DEPARTMENT

January 9, 2025

Re: Award Recommendation
James Sewer and Street Improvements Project

On Thursday January 9, 2025, three bids were received and opened for the James Sewer and Street Improvements Project. The Water Resources Department has reviewed these bids and have prepared a certified bid tabulation for reference (CNX-02).

The three bidders for the project are as follows:

<u>Bidder</u>	<u>Total Base Bid</u>
Triangle Grading and Paving, Inc.: Burlington, NC	\$396,103.00
Axis Utility, Inc.: Wake Forest, NC	\$551,400.00
Moffat Pipe, Inc.: Wake Forest, NC	\$552,349.00

The contractor is properly licensed to perform the work based on the license information obtained from the NC Licensing Board for General Contractors, identified the minority business participation and included a bid bond in the amount of five (5) percent of the Grand Total Base Bid. All other required documentation was provided with each bid. No mathematical or clerical errors were found in the bids.

Based on the information above, The Water Resources Department recommends that The Town of Apex award a construction contract in the amount of \$396,103.00 to Triangle Grading and Paving for the James Sewer and Street Improvements Project.
