### Approval Recommended?

Yes

### Item Details

The Board of County Commissioners has appropriated County Bond funding for greenway projects and has awarded the Town funding for construction of Apex West Greenway. This action will formalize the funding assistance provided by the County to the Town of Apex. This project was submitted by Town staff during the County's Request for Proposals (RFP) in 2019 as continued efforts by the County to assist local municipalities with expanding the County-wide greenway system, which was funded by the County's 2018 Parks Greenways Recreation and Open Space bond. The Town of Apex was one of five municipalities that responded to the RFP, and one of 8 projects which was recommended for funding.

The project is located in an easement acquired from the County at the location of a future County Trailhead for the American Tobacco Trail off Olive Chapel Road, links to the Beaver Creek Greenway corridor and will be approximately 700 linear feet of ten-foot-wide asphalt and boardwalk. The total project cost is estimated at \$305,000, with the County's participation recommended at \$150,000 (49%) to construct the greenway.
