

| Agenda Item | cover sheet

for consideration by the Apex Town Council

Item Type: NEW BUSINESS

Meeting Date: April 22,2025

Item Details

Presenter(s): Daniel Edwards, Senior Capital Projects Manager
Lindsey Thompson and Lindsey Breitschwerdt

Department(s): Town Manager's Office
Gensler Architecture

Requested Motion

Potential motion to move forward with programming and design of the Town's Environmental Education Center to meet the vision of the town as determined during the advanced planning phase and presented by Gensler Architecture.

Approval Recommended?

Yes

Item Details

The Town entered an agreement with Gensler Architecture to provide Advanced Planning services for the future Environmental Education Center to be constructed at Apex Nature Park. Services included Stakeholder and Community Engagement through a series of surveys, interviews, and workshops to develop the vision of the center. Based on the feedback received from stakeholders and our understanding of the town's strategic goal for environmental leadership, the team is ready to move forward with programming and design to satisfy the vision presented.
